Description	Advanced style and flexibility combine to provide cutting edge cool! Ample storage space and a variety of customizable storage options mark this 26 cu. ft. 4-Door French door refrigerator as a stylish and efficient addition that serves excellence in every kitchen. The Flex Zone mid-convertible drawer with Smart Divider offers all new flexible food storage possibilities, while Samsung's Twin Cooling Plus System® lets you independently select the temperatures of the refrigerator and freezer compartments for customized control. The EZ Open Handle™ feature permits simple one-handed freezer opening together with a tight seal on upper doors. Combining new flexibility, efficiency and convenience, the Samsung RF4267 is ENERGY STAR® qualified.	This elegantly designed 22.5 cu.ft. French Door refrigerator slides in perfectly at counter depth. With Samsung's Twin Cooling Plus System®, food maintains just the right temperature, and last longer. Designed for your busy life, the RFG237 features a WideOpen CoolSelect™ Pantry drawer that lets you control the temperature with the touch of a button, and an external digital display that also controls the water and ice dispenser. Plus, along with its sleek style, the Samsung RFG237 is ENERGY STAR® qualified so you can rest assured that it's energy efficient.
