Maytag® 30" Self-Cleaning Freestanding Electric Range

White | YMER7765WW

Benefits

Dependable Performance

Precision Cooking™ System with PreciseBake
Uses thermal distribution vents with multidirectional airflow to evenly distribute heat and maintain temperatures for more uniform cooking

Durable Design

5.3 Cu. Ft. Capacity
Provides a large amount of space to easily accommodate an entire holiday meal at once

Extra Large Oven Window

Provides easy viewing of the oven's interior without opening the oven door and allowing heat to escape

Dependable Efficiency

EvenAir™ Convection

A fan evenly circulates air, providing a consistent oven temperature for uniform browning, even baking, and faster roasting

12"/9" Dual-Choice™ Element

Features a 12" 3,000-watt element and a 9" 1,900-watt element in one so you can match the cooking surface to various pan sizes.

WASHERS DRYERS STACK LAUNDRY CUSTOM LAUNDRY OPTIONS

White | MVWB750YW

NEW! Maytag® Bravos® XL High Efficiency Top Load Washer with PowerWash™ System

Benefits

Dependable Performance

BEST CLEANING IN THE INDUSTRY*

Enabled by the PowerWash™ System, the new Bravos XL™ washer provides the best cleaning in the industry* combining the PowerWash™ Cycle to help power out tough stains. Optimal Dispensers, and industry leading PowerSpray technology.

*Among leading competitive brand top load washers; comparable cycles and settings.

OUR LARGEST CAPACITY HE TOP LOAD WASHER

The entire line of Bravos XL™ washers feature 5.3 cu. ft. I.E.C.* equivalent capacity so you can wash more clothes in every load, for fewer total loads per week.

*Equivalent volume per I.E.C. International Standard, 4th ED., based on 4.6 cu. ft. DOE measurement.

ENHANCED INTELLICLEAN™ IMPELLER

The impeller and wash basket move independently of each other, creating enhanced wash action. This increased action delivers better cleaning performance and fabric care than washers with an agitator.

Dependable Durability

10-YEAR LIMITED PARTS WARRANTY*

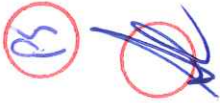

Backed by a 10-year limited parts warranty* on the washer motor and stainless steel wash basket, the Maytag® Bravos XL™ washer delivers years of dependable cleaning.

*Visit Maytag.ca for warranty details.

Dependable Efficiency

ENERGY STAR® QUALIFIED

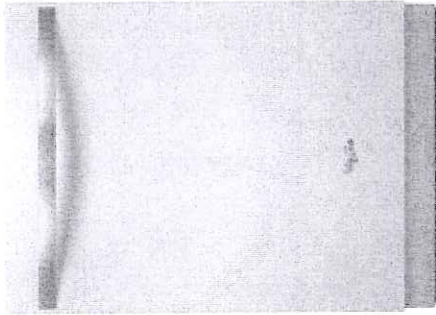

The Maytag® Bravos XL™ washer uses 76% less water and 78% less energy compared to pre-2004 traditional top load washers.

Dishwashers Food Waste Disposers

White Ice | WDT910SAYH

Benefits

New! Whirlpool Gold® Series Dishwasher with Sensor Cycle

Auto Soil Sensor

Optimizing every cycle for reliable cleaning results, this sensor measures soil level. It will even adjust the temperature to match soil level and make sure dishes come out clean, without wasting resources.

Improved PowerScour™ option

40 targeted spray jets in a larger designated wash area to scour away baked on foods and new design features larger jets that deliver two times more coverage to clean even your large pots and pans without soaking or scrubbing.

Dynamic Fill

Sensor monitors water flow to ensure that just the right amount of water is used.

Eco Wash Cycle/Eco Dry Option

Eco Wash cycle helps minimize energy and water usage while cleaning dishes. *** Eco Dry Option is the most efficient drying option on our dishwashers. ***

*** Available on Whirlpool® models MSRP \$549 and above.

ENERGY STAR® Qualified

Look for the ENERGY STAR® symbol on selected Whirlpool® products. It shows that the product meets the ENERGY STAR® guidelines for energy efficiency.

WASHERS DRYERS STACK LAUNDRY CUSTOM LAUNDRY OPTIONS

NEW! Maytag® Bravos XL™ High-Efficiency Electric Matching Top Load Dryer

White | YMEDB750YW

Benefits

Dependable Performance

EVENLY DRIES YOUR LARGE LOADS*

Advanced Moisture Sensing provides even drying for your large laundry loads.*

*Based on testing of an 18-lb (8.16 kg) load.

ENHANCED AIRFLOW MONITOR

These dryers are capable of venting straight for up to 100 feet. The enhanced Airflow Monitor automatically checks for venting performance to maximize results at the start of every cycle, then provides a convenient visual display.

Dependable Durability

MAYTAG® COMMERCIAL TECHNOLOGY

Every Maytag® Bravos XL™ dryer features long-lasting, commercial-grade components for your home. MCT components found in all Bravos XL™ dryers include a durable high-performance motor and a 5-rib dryer belt.

Dependable Efficiency

HIGH-EFFICIENCY SENSOR DRYING

With Advanced Moisture Sensing technology, Bravos XL™ dryers use nearly 40% less energy* by stopping clothes when they're dry and not prolonging the cycle, delivering optimal efficiency.

* Compared to pre-2004 traditional electric dryers when paired with a Bravos XL™ washer.

SUPERSIZE CAPACITY PLUS

A 7.3 cu. ft. capacity dryer drum provides enough capacity space to evenly dry your large loads*.

*Based on testing of an 18-lb (8.16 kg) load.
