**Newly Designed
Over-the-Range
Microwave Ovens**

NN-SD277S/W/B

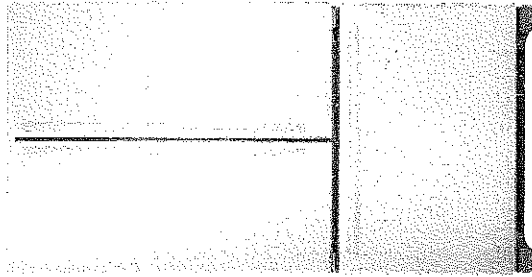

On four speeds — up to 420 CFM — the exhaust fan found on the new OTR models helps remove unwanted food odours. In your kitchen, without the annoyance of excessive noise. On "Turbo," the fan will refresh the air passing through the filter quickly.

**(OVER-THE-RANGE MODELS):
POWERFUL & SUPER QUIET EXHAUST FAN**

ENJOY POP-UP DIAL OPERATION

72"(h) Cabinet Depth French Door Refrigerator with Internal Dispenser

Create a built-in appearance with this 72" cabinet depth refrigerator. Three extra inches fill the gap 69" refrigerators leave under a standard cabinet. The one-hand internal water dispenser with P2R® filter provides convenient access to filtered water.
