KITCHENAID 36" 5-BURNER GAS COOKTOP WITH GRIDDLE – STAINLESS STEEL

\$ 2,099.95
SKU: KCGS956ES
VSN: KCGS956ESS

Dimensions

Width: 36.12" (91.7 cm) Height: 2.9" (7.4 cm) Depth: 21" (53.3 cm)

Experience the convenient technology this cooktop from KitchenAid offers. Even-Heat™ technology uses a diffuser plate to allow for more control of the cooktop, making it ideal for melting chocolate or simmering sauce. With a professional dual-ring burner and electronic ignition, this cooktop makes it simple to whip up countless masterpieces. What's more, its CookShield finish helps protect against spills and stains while making the cooktop easy to wipe clean without the use of harsh chemicals.

KitchenAid

Key Features:

- Even-Heat Technology
- Professional Dual-Ring Burner
- CookShield Finish

DS

DS

- Electronic Ignition
- Full-Width Cast-Iron Grates
- Lighted Control Knobs

Even-Heat Technology

Effortlessly melt butter or simmer sauces with KitchenAid's Even-Heat technology. A diffuser plate allows for more control of the cooktop flame at its lowest setting, ensuring more precise melting and simmering.

Professional Dual-Ring Burner

Quickly go from one small flame for precise simmering to a dual flame for powerful boiling, all on the same burner.

CookShield Finish

The finish on this cooktop helps protect it from spills and stains that may occur with high-temperature cooking. This permanent finish makes it easy to wipe your cooktop clean without harsh chemicals to help it look cleaner and brighter longer.

Electronic Ignition

This cooktop's electronic ignition automatically lights the burners, so no standing pilot light is required.

Full-Width Cast-Iron Grates

This cooktop's cast-iron grates not only enhance its modern look, they also allow for easy movement of cookware around the entire cooking surface.

Lighted Control Knobs

The lighted control knobs deliver a premium look and feel that reflects the high quality of the cooktop, while letting you know when a burner is in use.
