Hi Lisa , thanks for the email, it's true that we didn't purchase any of the appliances yet but the dimensions that we sent this is what we are looking to purchase in short time hopefully

Hi Adem,

I hope you are doing well. I don't believe we have received the model specification sheets, only dimensions. If you have purchased your appliances, it is best to provide the model information with the specification sheets provided by the supplier.

Dimensions:

-

Refrigerator:

Width: 36", Height: 70", Depth: 35.5

Range:

Standard width 30" and the Height would be same as the countertops I guess

Dishwasher:

Standard Width: 23"

Washer & Dryer:

Width: 27", Height: 39", Depth: 31.3"

Thank You,
