

SCB316 | ALITO Collection

Wall Mount

We’ve learned that sometimes the best way to anticipate the needs and desires of your market is to listen to the men and women who install your product. Inspired by our most popular model, the SC300, we have designed an install-friendly hood that makes all the “what if’s” of installation a non-issue. Keeping the pyramid shape, we expanded the chimney flue (duct cover) just wide enough to conceal off-centre ducting. Bringing our lights to the front of the hood provides greater ambience in the most used cooking area and also avoids drawing attention towards any imperfections from the backsplash. We also slanted our baffle filters to maximize air and grease collection. The SCB316 has every kind of installer in mind.

Kitchen / Faucets / Barprep

TRINSIC®

Single Handle Pull-Down Bar / Prep Faucet

MODEL#: 9959-BL-DST

- 1 or 3-hole installation
- Delta MagnaTite Docking holds spray wand firmly in place
- Backed by Delta Faucet's Lifetime Limited Warranty

Finish: **Matte Black**

Delta MagnaTite Docking uses a powerful integrated magnet to pull your faucet spray wand precisely into place and hold it there so it stays docked when not in use. Delta faucets with DIAMOND Seal Technology perform like new for life with a patented design which reduces leak points, is less hassle to install and lasts twice as long as the industry standard*. Kitchen faucets with Touch-Clean Spray Holes allow you to easily wipe away calcium and lime build-up with the touch of a finger. You can install with confidence, knowing that Delta faucets are backed by our Lifetime Limited Warranty. *Industry standard is based on ASME A112.18.1 of 500,000 cycles.

UNIVERSAL SHOWERING

H₂Okinetic In2ition 5-Setting Two-in-One Shower

MODEL#: 58474-BL

- Use showerhead with handheld shower together or separate
- H2Okinetic Technology: 3X the coverage of a standard shower head
- Delta shower heads backed by Delta's Lifetime Limited Warranty

WaterSense® Labeled

Finish: **Matte Black**

The Delta In2ition Two-in-One Shower features a detachable hand shower which can be used separately from or simultaneously with the shower head. This integrated dual-functionality gives you maximum flexibility without sacrificing warmth, as you can choose to have water streaming from the shower head only, the hand shower only or both the shower head and hand shower at once. Delta H2Okinetic PowerDrench Showers look different because they are different. H2Okinetic showers are powered by an innovative technology that sculpts the water into a unique wave pattern, giving you the feeling of more water without using more water and creating a shower with more warmth, coverage and intensity. So go ahead and indulge, because now you can enjoy the feeling of more water without using more water. While other products may gather unsightly mineral build-up over time, Delta soft rubber Touch-Clean spray holes allow any mineral residue to simply be wiped away for an instantly refreshed look ? with no need for soaking or the aid of chemical cleaners. The pause setting gives you ample space for shaving, lathering and other shower tasks, without worrying about overspray or water waste. This spray setting helps you conserve water, so you can worry less about depleting your supply of hot water - and you help the environment too. Delta WaterSense labeled faucets, showers and toilets use at least 20% less water than the industry standard? saving you money without compromising performance. 0

- The In2ition Two-in-One Shower gets water where you need it most using the integrated shower head and hand shower separately or together
- Perfect for bathing loved ones and pets as well as keeping the inside of your shower and tub clean
- H2Okinetic Shower technology sculpts water into a unique pattern, forming a powerful drench spray
- Gives you the feeling of more water without using more water
- MagnaTite Docking uses a powerful integrated magnet to hold your In2ition Two-in-One Shower Head precisely in place for easy docking every time

- Soft, rubber Touch-Clean spray holes allow you to easily wipe away calcium and lime build-up from the spray face of your shower head and hand shower with the touch of a finger
- Installs in minutes

- Spray settings include: H2Okinetic PowerDrench spray, Full Body spray, Massaging spray, Shampoo Rinsing spray, and Pause
- Pause feature reduces water to a trickle, giving you space for shaving, lathering and other shower tasks while maintaining your temperature settings
- Includes 60 - 82 in. (1524 - 2082 mm) stretchable metal hose
- WaterSense labeled showers use at least 20% less water than the industry standard?saving you money without compromising performance
- Integrated hand shower docks securely into shower head when not in use
- Diverter allows for single or shared operation of shower head and hand shower
- Ball connector swivel angle is 30° (15° per side)
- Push button spray selection

DELTA

MultiChoice Universal Tub / Shower Rough - Universal Inlets / Outlets

MODEL#: R10000-UNBX

- Easily change the style or function of your shower
- Backed by Delta Faucet’s Lifetime Limited Warranty

Finish: **Not Applicable**

The Delta MultiChoice Universal Valve gives you the flexibility to upgrade the style and functionality of your shower without altering the plumbing behind the wall. By installing the universal valve first, you have the freedom to decide (or change your mind on) what type of shower you want later. Whether you’d like a new look or a new function for your shower, with MultiChoice Universal Valves getting what you want has never been so simple.

- MultiChoice Universal valve body only
- Accepts single, dual, or dual thermostatic cartridge
- Trim kit sold separately, cartridge ships with trim
- Back-to-back capability
- Mounting bracket reduces rocking by providing a sturdy means of securing the valve to a stringer
- Three connection types (IPS, PEX and UNIVERSAL) provide connection options for every type of plumbing
- Square plasterguard allows for simple 90° cuts and snaps into place
- Heat-resistant pressure test cap allows for air or water testing before valve cartridge is installed
- Valve body without stops
