**FRIGIDAIRE GALLERY 5.3 CU. FT.
SINGLE ELECTRIC WALL OVEN -
GCWS3067AF**

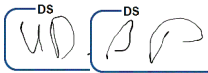

\$ 2,199.95

SKU: GCWS306F **VSN:** GCWS3067AF

Dimensions

Width: 30" (76.2 cm) Height: 28" (71.1 cm)
Depth: 27.13" (68.9 cm)

Enjoy a plethora of cooking modes to create your favourite meals with this convection single wall oven by Frigidaire Gallery. Fry, steam, sous vide and slow cook modes allow you to make a variety of delicious dishes with ease. Plus, the no preheat option gets dinner ready in a flash for those with a busy lifestyle. The full-colour touch control panel is easy to use, while the Smudge-Proof® stainless steel exterior and large black glass window create a sleek look that adds a touch of modern flair to any kitchen.

Unique Features

Total Convection:

Total Convection powers cooking modes like Air Fry, No Preheat, Slow Cook, Convection Bake and more to provide you with maximum versatility in the kitchen.

Temperature Probe:

The included temperature probe ensures perfectly prepared roasts by monitoring and alerting you when the desired finished cooking temperature has been reached.

Air Fry:

This feature circulates hot air around the included air fry tray to provide deliciously crispy treats without the added grease.

Steam Clean:

Chemical-free, odor-free and fast, steam loosens grime to make for an effortless clean. Simply add water and let your appliance do the rest.

No Preheat:

Don't waste time waiting for the oven to heat up – simply place your food inside and have your meal ready in no time.

Steam Bake:

Steam evenly circulates around the interior of the unit resulting in lighter, fluffier baked goods compared to conventional baking.

Slow Cook:

Cook your food slowly at a temperature as low as 100 F to lock in moisture and flavour.

KITCHENAID 29.4 CU. FT. BUILT-IN SIDE-BY-SIDE REFRIGERATOR - KBSD708MPS

\$ 12,999.97

SKU: KBSD70PS VSN: KBSD708MPS

Dimensions

Width: 47.25" (120.0 cm)
Height: 83.38" (211.8 cm)
Depth: 27.69" (70.3 cm)

This stunning built-in refrigerator from KitchenAid contains innovative storage solutions for all of your groceries. An under-shelf prep zone gives you extra room for leftovers, appetizers and more without taking up shelf space. Plus, a beautiful wood-look sliding tray keeps your party platters stored and ready to serve. Temperature-controlled drawers ensure your produce is kept fresh for longer, so you can create delicious meals. With a PrintShield™ stainless steel finish, a flat side-by-side door design and a built-in style, this appliance will add a gorgeous, contemporary look to truly elevate your kitchen space.

Unique Features

Under-Shelf Prep Zone:

Utilize unused space with the included 9 x 13-inch baking sheet and cake pan in the under-shelf zone – ideal for storing food prep or leftovers, marinating, chilling desserts, making focaccia and more.

Sliding Storage Tray:

This sliding tray is a versatile area for storing platters, organizing ingredients and keeping items easily accessible. Plus, it comes in a wood-look finish that is moisture- and stain-resistant, and removes fully for easy cleaning.

ExtendFresh™ Plus Temperature Management System:

Sensors work continuously to adjust temperatures in the fridge and freezer by monitoring the airflow between them to keep ingredients fresh.

FreshChill™ Temperature-Controlled Drawer:

From a tri-tip roast to a large rhubarb from the farmer's market, you have control over how much cool air enters the drawer to keep them fresh.

PrintShield Finish:

The specialized coating for stainless steel resists smudges while being easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up.

Max Freeze:

Drop the freezer temperature to its coldest level with the touch of a button, so frozen goods can reach optimal temperatures. After 48 hours, the temperature will automatically be restored to the previous setting.

Exterior Ice and Water Dispenser:

This dispenser fits glasses and measuring cups, plus dispenses filtered water and ice without having to open the door.

Max Cool:

You can set the fridge compartment to its lowest temperature for up to 24 hours, so you can turn up the cold when the door will be open while serving or restocking.

**LG TOP-CONTROL BUILT-IN
DISHWASHER WITH
QUADWASH™ - LDP6797SS**

\$ 1,149.95

SKU: LDP679SS **VSN:** LDP6797SS

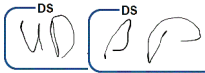

Dimensions

Width: 23.75" (60.3 cm)

Height: 33.6" (85.3 cm)

Depth: 24.6" (62.5 cm)

Your dishes will sparkle thanks to this built-in dishwasher by LG. QuadWash uses four spray arms that rotate back and forth while spinning, so the high-pressure jets target dishes from multiple angles to reach every nook and cranny. This clean machine sports a smudge-proof stainless steel finish that easily wipes clean with a soft cloth. With room for 15 place settings, you can fit every single dish inside and say goodbye to washing dishes by hand. And to top it all off, the EasyRack™ Plus system adjusts to just about any load of dishes to help ensure optimal cleaning performance.

Unique Features

QuadWash :

With four spray arms instead of two, QuadWash includes Multi-Motion arms that rotate back and forth while spinning. The high pressure jets power-clean dishes from multiple angles, to achieve maximum cleaning throughout an entire cycle.

Inverter DirectDrive™ Motor:

LG's Inverter DirectDrive Motor was designed with quiet in mind. With fewer moving parts and up to 44 dB, you get reliable performance from one of the quietest dishwashers in its class.

PrintProof™ Finish:

Now you can have all of the things you love about stainless, without the need for special cleaners or constant attention with this fingerprint and smudge resistant finish. It easily wipes clean with a soft, dry cloth for a distinctive kitchen that handles real-life in style.

EasyRack Plus:

Easy to adjust on-the-fly, this racking system can shift to handle any challenge your dishes can serve up. Plus, a full third rack provides extra loading flexibility.

SmartThinQ®:

Built-in Wi-Fi capabilities allow you to monitor and control your dishwasher right from your smartphone. Set it up with the Google Assistant or Amazon Alexa to take advantage of voice commands.

Dual Zone Wash:

Gently clean your delicate dishes, while power-washing heavy-duty pots and pans with Dual Zone Wash. This option allows you to vary the spray intensity in the upper and lower racks.

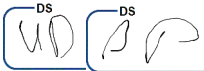

ENERGY STAR® Qualified:

Energy Star qualified models offer the benefits of efficiency without sacrificing features, performance, style or convenience.

PANASONIC 1.2 CU. FT. 4-IN-1 COMBINATION OVEN WITH AIR FRY - NNCD87KS

\$ 699.97

SKU: NNCD87KS VSN: NNCD87KS

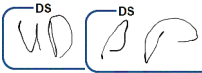

Dimensions

Width: 22.06" (56.0 cm)

Height: 17.75" (45.1 cm)

Depth: 13.5" (34.3 cm)

This Panasonic combination appliance serves an authentic oven performance in a countertop microwave. Use the Air Fry function for chicken wings or potato wedges – perfectly crispy, but made with minimal oil. For dessert, use the bake or broil functions for cakes, cookies and more. As for the leftovers, choose from 21 auto-programs and the one-touch Genius Sensor to perfectly reheat foods without the guesswork. The single control knob and sleek stainless steel design make this appliance a compliment to the modern kitchen.

Unique Features

Healthy Air Frying:

The Air Fry function works by coating foods in a thin layer of oil while hot air circulates at high speeds to prepare crispy, brown and juicy foods that can be a healthier alternative to traditional fried foods.

Easy One-Push Reheating:

Just put your dish in and press the Start button. The Genius Sensor detects and adjusts heating levels to ensure fast, even and delicious results for your everyday cooking.

21 Auto-Programs:

One-touch combination cooking programs make it easier than ever to prepare meals. Advanced Inverter Technology control enables simultaneous use of two heat sources for fast, delicious everyday cooking.

Space-Saving Design:

The minimalist design adds a stylish touch to any kitchen without taking up extra counter space.

Easy to Clean:

Sleek stainless steel not only compliments modern decor, but this microwave is designed with flat internal surfaces for easier cleaning.
