

APPLIANCE OPENINGS FOR CONDO UNITS

It may seem early to be thinking about appliances, but they are an important part of your kitchen design.
It's important that you are aware of the spacing information.

FRIDGE SPACING:	31" wide X 72" high
	Note: fridge sizes should be less dimensions then the spacing listed. Also french door fridges are not recommended if the fridge is against a wall.
DISHWASHER:	All layouts have 24"wide space for dishwashers
RANGES:	All layouts have space for 30" wide free standing ranges
MICRO/HOODFAN (OTR):	Phoenix Homes provides/installs prior to closing
