*****SERVICE WORK*****

After installation of windows should deficiencies such as; crack in frame or damaged track occur on site, repair kits can be provided upon request for your service tech to perform the repair. Please provide **Purchase Order** requesting supply.

****Please note:** Upon request for service parts, please provide frame size (measured brick to brick), colour and clear photo of actual window along with a description of the deficiency so proper parts can be provided.

****Please note:** Any replacement frames, sash sets or screens that may be required due to damage or loss on site, as well as poor installation by formers can be provided and will require a **Purchase Order** for supply.

****Please note:** After installation should there be deficiencies related to the fabrication of the window; condensation in the sash or leak through frame. Please provide size and colour of window so the proper replacement material can be supplied and installed by our tech.
