Wrinkle Shield™ Option

7.4 cu. ft. Capacity
Get plenty of room to dry the large loads you washed in the matching front load washer. This 7.4 cu. ft. dryer easily handles bulky items like comforters and sleeping bags.

Intuitive Controls

Let the dryer guide you to the right cycle combinations or customize up to 36 of your own to get the right type of fabric care for whatever you're drying.

Quad Baffles

Four baffles tumble clothes in a randomized pattern, allowing items to open up freely. This helps increase the effectiveness of the dryer for small loads.
