This architectural floor plan illustrates a multi-unit residential building, specifically units 231 through 236. The plan is organized into two main horizontal sections, with units 231-234 on the top and units 235-236 on the bottom. Each unit is meticulously detailed with room layouts, including living/dining areas, kitchens, bedrooms, bathrooms, and closets. Dimensions are provided for various rooms and overall unit footprints. Structural elements such as balconies, high railings, and precast concrete sills are clearly marked. The plan also shows common areas, including an elevator lobby, board room, and various mechanical rooms. The layout is framed by a grid system with vertical labels (B5, 14, B4, B3, B2, B1, 6x, 6z) and horizontal labels (B5, 14, B4, B3, B2, B1, 6x, 6z). The plan is a technical drawing, likely a PDF or CAD file, used for construction and design purposes.
