Hi Steve,

As per the signed Packing list the 24x36 window in the walk-out basement was shipped, the only backorder from original delivery on April 8th was Line 13 RR-EATING Patio door.
The backordered Patio door was shipped on April 14th.

No other backorders shown on packing list.
See attached main delivery packing list and then the packing list for the patio door.

I have attached a quote for new window, please have your office prep PO if you would like me to proceed with the order.

Note: I Spoke to Jeff Longchamps this afternoon as well and gave him info we spoke about, I have asked him to provide you with an update on those items ASAP.

Thank you,
