Good Afternoon,

Please find attached Cab P.O requests.

I forgot to write in the first email that I wanted to clarify with you that Filler pricing is the difference between crown 1pc and 2pc so \$5.00 and measurement are done and then rounded up to the next 8' length and then add another 8' piece to cover all the materials that would be use in the kitchen as was explained in a previous email.

As well when it comes to credits for laminate countertop it is only in effect with what's included in the contract which is bolded in the excel that we sent you. I would suggest to use that to ensure you can see which are bolded or not. If a vanity is not part of the contract and being added and kept as laminate countertop then we add the countertop price.

Please give me a call if you need more clarification.

Thank you

Greg Chabursky
