#### SCHEDULE "G"

#### HARMONIZED SALES TAX AND NEW HOUSING REBATE

- 1. The parties acknowledge that as at the date of this Agreement, Harmonized Sales Tax ("HST") is applicable to this transaction pursuant to the Excise Tax Act (Canada) (the "Legislation") and that, the Purchaser may qualify for the GST/HST new housing rebate (as is authorized by the Legislation from time to time) (the "New Housing Rebate") in respect of this transaction.
- 2. The Purchaser is hereby advised that the Purchase Price listed in "Purchase Price" Section of this Agreement includes all HST and the New Housing Rebate applicable to this transaction (refer to maximum rebate allowance in Clause 8) as at the date this Agreement is signed by the parties. All sales taxes applicable to the transaction (including any applicable New Housing Rebate) will be calculated as of the closing of the subject transaction and will be applied in accordance with the Legislation. In the event that there is a change to the Legislation after the execution of this Agreement but prior to the closing of this transaction, the Vendor shall make all applicable adjustments to the sales taxes payable in this transaction in accordance with all applicable Legislation.
- The Purchaser hereby irrevocably assigns to the Vendor the benefit of the New Housing Rebate, if applicable to this transaction.
- The Purchaser hereby warrants and agrees that:
  - (a) The Real Property is being purchased as the Purchaser's primary place of residence and that the Purchaser will take possession and occupy the Dwelling forthwith upon closing and will not allow occupancy of the Dwelling by any other individual (other than the Purchaser's immediate family) as a place of residence prior to occupancy by the Purchaser;
  - (b) Purchaser will execute and deliver on closing such documents as the Vendor may require to confirm the warranties and agreements contained in this Schedule; and
  - (c) Purchaser will submit to the Vendor on closing, prior to or after closing at the Vendor's request, an application or applications in the manner and in the form prescribed containing prescribed information required by the Legislation for the New Housing Rebate
- The Purchaser acknowledges that the Vendor has calculated the Purchase Price on the assumption that the New Housing Rebate will be applicable to this transaction. If for any reason the Purchaser does not qualify for the New Housing Rebate, then the Purchaser shall be fully responsible for paying to the Vendor the amount of such New Housing Rebate plus interest at the Bank of Montreal prime rate from the date the statement of adjustments is calculated plus any fees, penalties or damages imposed on the Vendor under the Legislation. For greater certainty, the Purchaser acknowledges that the New Housing Rebate described above is for individuals buying a new house or residential condominium as a primary place of residence for themselves or a relation. It does not include the rebate for HST which may be available to investors buying a new house or residential condominium as a rental property (the GST/HST "New Residential Rental

Property Rebate"). If the Property is being purchased for investment purposes, the Purchaser will not qualify for the New Housing Rebate and the Purchaser shall be responsible for paying to the Vendor an amount equal to the New Housing Rebate which has been included in the Purchase Price hereunder. All Purchasers buying a new house or residential condominium as a rental property are responsible for applying for the New Residential Rental Property Rebate after the closing of the subject transaction.

6. The Purchaser acknowledges and agrees that the Purchase Price set forth in this Agreement has been emived at on the basis that the Purchase Price includes all Extrus, premiums and bountes and excludes any Extrus ordered pursuant to a Change Order following the date of concution of this Agreement. The Purchaser minosyledges that the purchase of additional Extrus following the date of concution of this Agreement may push the Purchase Price of the Real Property into a different sales tax category for the purposes of determining the amount of the New Housing Repath, and that this may lower the amount of said New Housing Relate amplicable to the transaction. If a reduced New Housing Relate is applicable under the Legislatico due to the purchase of Extrus following the date of execution of this Agreement, the Purchaser agrees to compensate the Vendor for the, amount by which the New Housing Relate used to calculate the Purchase Price listed in the "Purchase Price" section haven accorded to accord applicable New Housing Relate, such amount to be credited to the Vendor as an adjustment on closing.

We recognize the importance of your home to you, our valued customer. Granite & Variegated Quartz countertops are an elegant addition to your home. However, there are some things of which you should be aware. Due to the natural composition of Granite, inherent variations in texture, colour and consistency are to be expected and considered as normal. During the process of manufacturing Variegated Quartz to achieve a more natural stone look, variations in the appearance between the sample & the slab are to be expected. Valecraft Homes Limited strongly suggests that you attend an appointment with our granite/quartz supplier two to three months prior to closing to view the granite/variegated quartz slabs available in the colour you have already chosen. A representative from our supplier will contact you to set up a mutual date & time for the appointment. I/we. **Etin Imasuen** have read and fully understand the aforementioned recommendation set forth by the builder and as such hereby release VALECRAFT HOMES LIMITED from future responsibility with respect to a variation in colour of granite/ variegated quartz countertops.
