Subject: Garage Door Proposal

Hello,

Added motor and keypad and 2 struts to strengthen top and bottom panels

Following our discussion, it is our pleasure to provide the attached quotation(s) for your new garage door.

I am available anytime if you have questions about the proposal, our products or our company.

Recognizing that you don't buy a garage door every day, I encourage you to watch this video <https://link.spamstopshere.net/u/cb5e3476/KElizkbQ6xGpSGjrhns0Mg?u=https%3A%2F%2Fwww.garaga.com%2Fca%2Fvideo%2Fgarage-doors-tough> so that you can see for yourself just how hard a garage door works. You will have a better grasp of the factors to consider when choosing your garage door.

Hoping to serve you and count you among our satisfied customers soon.
