GST/HST New Housing Rebate Application for Houses Purchased from a Builder

Use this form to claim your rebate if you bought a new house (including a residential condominium unit or a duplex) or a share of the capital stock of a co-operative housing corporation (co-op). **Do not use** this form if you built your house or hired someone to build it or purchased it as a rental property. Instead, use Form GST191, GST/HST New Housing Rebate Application for Owner-Built Houses, or Form GST524, GST/HST New Residential Rental Property Rebate Application.

Note

GST/HST registered builders claiming a Type 1A or 1B rebate can choose to file their application online along with their GST/HST return using GST/HST NETFILE at canada.ca/gst-hst-netfile or by using the "File a return" online service in My Business Account at canada.ca/my-cra-business-account. The rebate can also be filed online on its own using the "File a rebate" online service in My Business Account. Representatives can access these online services in Represent a Client at canada.ca/taxes-representatives. If you choose to file your application online, do not send us this form.

For more information, including instructions, required documentation for rebate application Types 2, 3, and 5, and the definition of a house, see "General information" on page 4 of this form. Your claim may be delayed or denied if this form is not completed in full, the rebate calculation is not correct, or the required documentation is not submitted with your application.

General information

Who should complete this form?

Use this form to claim your new housing rebate if you bought a new house (including a residential condominium unit or a duplex) or a share of the capital stock of a co-operative housing corporation (co-op). The house must be the primary place of residence for you or a relation. If more than one individual owns the house or share, only one individual can claim the rebate. Partnerships (even if all the partners are individuals) and corporations that buy new houses are not entitled to claim this rebate. An individual cannot claim this rebate if a partnership or a corporation is also an owner of the house.

Do not use this form if you built or substantially renovated your house or hired someone to do so. Instead, use Form GST191, GST/HST New Housing Rebate Application for Owner-Built Houses.

If you purchased this house as a rental property, use Form GST524, GST/HST New Residential Rental Property Rebate Application.

For more information on the conditions that apply for each rebate type, see Guide RC4028, GST/HST New Housing Rebate.

If the application is signed by someone other than the claimant, you must attach a properly executed power of attorney to this form.

If your house is located in a province that offers a provincial new housing rebate for some of the provincial part of the HST and you qualify for that rebate, you also need to complete the appropriate provincial rebate schedule to claim the provincial new housing rebate.

Note

If you previously purchased a new house and received a new housing rebate you were assigned a business number for tracking purposes (nine digits followed by RT0001). Use the same number for this application.

Documentation required

If your application type is 2, 3, or 5 in Section C, you must send us this form along with the following documents:

- · a copy of the statement of adjustments; and
- for a mobile home, a copy of the invoice.

Note

You are not required to submit proof of occupancy with your application. However, you may be asked to provide proof of occupancy later.

Do not send us the agreements for the purchase of your house. Keep them for six years in case we ask to see them.

Note

If you choose not to file your application online when claiming a Type 1A or 1B rebate, you must send us a copy of this form. Do not send supporting documents with this form when claiming either of these rebates, but keep them in case we ask to see them later.

When should I file my claim?

Generally, you have two years from the date ownership of the house is transferred to you to claim the rebate.

Critical Dates Calculator

To complete the first page of the Addendum, which is a Statement of Critical Dates, the first step is to select the appropriate type of sales transaction:

Freehold Firm; Freehold Tentative; Condominium Firm; or Condominium Tentative.

Once you have made this selection, in the table below, a new field will appear where you will enter the first Critical Date. Depending on the type of sales transaction, this Critical Date will be one of the following: the First Tentative Closing Date; the Firm Closing Date; the First Tentative Occupancy Date; or the Firm Occupancy Date. For condominiums, you will also enter the Outside Occupancy Date.

Please note that all Closing or Occupancy Dates must be on a business day.

Enter the first Critical Date by clicking on the calendar icon once it has appeared below. After you have selected this date, all of the remaining Critical Dates needed to complete the Statement of Critical Dates document will automatically be determined.
