Except only for such right of Pre-Delivery Inspection, the Purchaser and the Purchaser's agents, invitees and licensees shall not enter on, upon or into the land prior to Closing, or do, or permit to be done, any work and or/supply of any material to the Land before Closing. The Purchaser shall indemnify and save harmless the Vendor and those for whom it is in law responsible, from any action, cause of action, claim, suit cost, demand, damage and/or loss which may be caused and/or contributed to by the Purchaser or any of the Purchaser's friends, relatives, invitees, workers and/or agents who enter into or on the Land whether with or without the express or implied authorization of the Vendor. The Purchaser is not to call for production of any title deed, abstract or other evidence of title except such as are in the possession of the Vendor and the Vendor shall not be required to produce evidence of compliance with any of the aforementioned easements, agreements, restrictions, conditions or covenants and the Purchaser shall satisfy himself with respect to same. The Purchaser is to be allowed until fifteen (15) days prior to Closing, to investigate the title to the Real Property at his own expense. If, within that time, any valid objection to title is made in writing to the Vendor, which the Vendor shall be unable or unwilling to remove, and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations in respect of such objection, be null and void, and the deposit monies paid by the Purchaser hereunder shall be returned by the Vendor without interest or deduction and the Vendor shall not be liable for any other costs or damages whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.

9. **Easements:** In the event that any of the easements referred to in the foregoing paragraph have not been granted by Closing, the Purchaser covenants and agrees with the Vendor to execute any usual and reasonable grant or grants of easement over or under the Land herein required by the Township or other authority including Ontario Hydro, Hydro One, Bell Canada, Enbridge Consumers’ Gas, Rogers Communications Inc., or any public authority or utility relating to drainage or other joint service or public purpose during a period of five (5) years from Closing, which covenant shall survive Closing, provided that said easement does not interfere with the dwelling constructed on the Real Property.
10. **Discharge of Prior Mortgages:** The Purchaser acknowledges that the Real Property on Closing may be encumbered by one or more mortgages which are not intended to be assumed by the Purchaser and the Purchaser further agrees that the Vendor shall not be required to obtain and register discharges of any such mortgages with respect to the Real Property until a reasonable time after Closing, provided that if the mortgage is held by a corporation incorporated pursuant to the Trust And Loan Companies Act (Canada), Chartered Bank, Trust Company, Credit Union, Caisse Populaire or Insurance Company, the Purchaser agrees to accept the Vendor’s lawyer’s personal undertaking to obtain, out of the closing funds, a discharge in registrable form and to register same on title within a reasonable period of time after Closing and, provided further the Vendor shall provide to the Purchaser a mortgage statement prepared by the mortgagee setting out the balance required to obtain the discharge, together with a direction executed by the Vendor directing payment to the mortgagee of the amount required to obtain the discharge out of the balance due on completion.

On or before Closing, the Vendor shall have paid all realty taxes due and owing with respect to the Lands. In the event that realty taxes have not yet been separately assessed for the Real Property, the Vendor shall have the option of undertaking to pay all realty taxes on the Land alone for the year in which Closing occurs, in which event the Vendor shall receive a credit in the statement of adjustments for the estimated amount of such taxes, notwithstanding that all such taxes may not yet be due and payable and this will not yet have been paid. When the actual amount of such estimated realty taxes for the land alone have been determined, the Vendor and Purchaser agree to readjust the statement of adjustments and to make the appropriate payment to each other. Notwithstanding anything contained in this agreement as to payment of property taxes, the Purchaser acknowledges that he is responsible for ensuring that the Real Property is properly assessed for property tax purposes and for taking such steps as may be necessary by way of appeal or otherwise in respect of the Notice of Assessment forwarded by the appropriate authority relating to occupancy of the Real Property.
12. The Purchaser agrees that he will reimburse the Vendor for the cost of enrolling the dwelling under the Tarion Warranty Corporation plus applicable HST.
13. The Purchaser acknowledges and accepts that the Real Estate Transaction Levy Surcharge imposed upon the Vendor or the Vendor’s Solicitor by the Law Society of Ontario upon the registration of a Transfer/Deed of Land will be the responsibility of the Purchaser and shall be credited to the Vendor on Closing.
14. The Purchaser acknowledges and accepts that there will be an administrative charge levied by the Township in conjunction with setting up the assessment roll number for the Real Property and that this administrative charge will be the responsibility of the Purchaser. If such administrative charge has or will be paid by the Vendor with the realty taxes for the Real Property, there will be a credit to the Vendor in the statement of adjustments. Furthermore, the Purchaser acknowledges and accepts that the Purchaser shall be responsible for any administrative charge to be levied by the Township in conjunction with the change of municipal records to reflect the transfer of ownership to the Purchaser.
15. In the event that, at the Purchaser’s request, the Vendor agrees to extend the Firm Closing Date (as such term is more particularly described in Tarion Schedule E hereto), the Vendor reserves the right to charge a fee of \$150 plus HST as a credit to the Vendor in the statement of adjustments for each day that the Purchaser delays Closing beyond the one Business Day referred to in paragraph 1 (d) of this Agreement. Notwithstanding the foregoing, the Vendor shall not be obliged to agree to any request of the Purchaser to delay Closing and at all times, time shall remain of the essence of this Agreement.
16. Occupancy Permit. On or before Closing, the Vendor may provide an occupancy permit issued by the Township confirming that permission to occupy the dwelling on the Real Property has been granted, if such a permit is available. 18. **Closing and Compensation For Delayed Closing:** This Agreement shall be completed as set for Closing pursuant to the Tarion Schedule E, on which date vacant possession of the Real Property is to be given to the Purchaser. In the event that the completion of the dwelling is delayed by any reason or cause beyond the control of the Vendor, the Vendor shall be permitted postponements as set out in the Tarion Schedule E. If the Vendor should be unable to substantially complete the dwelling for occupancy or close this transaction within the extended time, failing agreement in writing by both the Vendor and the Purchaser to further extend the Closing in accordance with the provisions of the Tarion Schedule then this Agreement shall be at an end and the deposit monies returned to the Purchaser without interest or deductions and the Vendor shall not be liable to the Purchaser for any damages, costs, expenses suffered or incurred by the Purchaser as a result of any delay in Closing, other than as provided by the Ontario New Home Warranties Plan Act and the regulations thereunder, as set out in Tarion Schedule E. In the event that the dwelling being erected on the land is substantially completed for occupancy by the date of Closing, or any extension thereof, the sale shall be completed on that date and the Vendor shall complete any outstanding details of construction required by this Agreement within a reasonable time thereafter, having regard to weather conditions and the availability of supplies.

This covenant shall not merge with the closing of this transaction.
21. **Dispute Resolution:** In the event that either before or after the Closing any dispute arises out of this transaction, the Vendor shall have the option to terminate this Agreement, or if after Closing to require a reconveyance of the Real Property, upon payment to the Purchaser by certified cheque of the total amount of all sums paid by the Purchaser pursuant to this Agreement and on account of taxes. The said option to terminate or reconvey may be exercised by the Vendor giving notice to the Purchaser or their Solicitor by telefax, prepaid registered mail or personal service at any time before the Closing (for option to terminate) and thereafter (for option to reconvey) within three hundred and sixty-five (365) days of the date the Vendor determines that the dispute arose. If the said option to reconvey is exercised by the Vendor after Closing the Purchaser shall vacate the dwelling and shall reconvey the Real Property to the Vendor both within thirty (30) days of the notice of option to reconvey being given and shall pay to the Vendor on account of the Purchaser's period of possession a sum calculated at a yearly rate of ten percent (10%) of the purchase price, adjusted pro-rata to the date of reconveyance. The Purchaser covenants, acknowledges and agrees that in such event he shall be responsible for any damage caused to the dwelling during the period of possession, reasonable wear and tear excluded and further acknowledges and agrees that no claim for damages, compensation or other relief will accrue to or be pursued by the Purchaser and hereby constitutes these presents as a full release, waiver and estoppel of any such claim. This option to terminate or reconvey shall not apply to any matter governed by Tarion Warranty Corporation during the period of time that any such matter may be subject to the dispute resolution mechanisms established under the Tarion Warranty Corporation.
22. **Transfer/ Deed of Land:** The deed or transfer (the "**Transfer**") shall be prepared by the Vendor's solicitor, at a cost to the Purchaser of **\$275.00 plus HST** payable on Closing and be messaged electronically to the Purchaser's Solicitor for review and approval. If the Purchaser's Solicitor fails to give such notification, the Vendor's Solicitor shall be entitled to prepare the Transfer to the Purchaser as described herein, and if there is more than one Purchaser, the Transfer will show them as joint tenants and insert the Real Property as the Purchaser's address for service. The Purchaser acknowledges that the consideration shown in the Transfer includes the Tarion Warranty Corporation enrolment fee pursuant to tax bulletin LTT 1-2006 "Determining the Value of the Consideration for Transfers of New Homes". The Affidavit of Value of the Consideration pursuant to the *Land Transfer Tax Act* shall be completed by the Purchaser's solicitor, and the deed or transfer shall contain, or shall be subject to such covenants and restrictions as the Vendor shall require in order to comply with the provisions of any subdivision or other agreement entered into by the Vendor, or any predecessor, with the relevant municipality or municipalities. This includes but is not limited to additional brick to external side yard walls to enhance the streetscape and/or to comply to municipal agreements.

- Variations in subcontractors across different sites and varying site conditions may result in house exteriors that differ from the artist renderings. the Builder cannot be responsible for results which differ from the artists renderings of elevations.
- ADDITIONAL WINDOWS** - Additional windows to side elevations are subject to limiting distance as per Current Ontario Building Code and Municipal Zoning.
- MULTI-MEDIA** - The Purchaser understands that all Multi Media locations are approximate and vary from chosen locations.
- IN-WALL CONDUIT FOR AUDIO/VIDEO CABLES** - The purchaser acknowledges and accepts that due to the variation in framing requirements in different parts of the Purchaser's home, conduit lengths and routing can vary. In virtually all instances of ground floor installation (i.e. above a fireplace), conduit will first travel down into the basement below the floor joists, over to the termination point and back up into the main floor. As a result, it is best to measure the length of the conduit after occupancy with a "pull wire" before purchasing The Purchaser's cables. For above fireplace installations, the conduit wall plate will be installed approximately 10" above the Fireplace Mantle, unless otherwise specified in the Client Upgrades.
- PLANS** - Plans are subject to change without notice. Actual usable floor space may vary from the stated floor area. Layout for the services, kitchen, furnace, HWT and laundry tub may vary from plan. Vertical and horizontal bulkhead, which are not shown on plan, may be required for plumbing and heating runs. E.& O.E.

7. **SELECTIONS AND APPOINTMENTS** - All colour and material selections are to be made from Vendor's standard samples unless otherwise paid for as an upgrade.
- In the event the work on the house has progressed beyond the point where the items covered by these invoices cannot be installed without entailing any unusual expense, then this order is to be cancelled and any deposit paid in connection with the same is to be refunded to the purchaser.
- The vendor will undertake to incorporate the work covered by the sales extra in the construction of the house but will not be liable to the purchaser in any way, if for any reason the work covered by the extra is not carried out. In that event, any monies paid in connection with the same shall be returned to the purchaser.
- It is understood and agreed that if for any reason whatsoever the transaction of Purchase and Sale is not completed, the total cost of extras ordered are not refundable to the Purchaser(s). Extras or changes will not be processed unless signed by the Vendor. These extras may not be amended without the written consent of Valecraft Homes.
- The Purchaser(s) acknowledge and accept that failure to finalize the structural or colour selections by their cut-off date may result in a delay in construction and the builder has the right to extend the closing date. Due to failure to complete the above-mentioned selections and at no fault of us, the builder reserves the right to hold The Purchaser responsible for a delayed closing, including charging extra administration cost and interest on the balance due on closing.
- 8 **ADMINISTRATION FEES** - Purchaser(s) Acknowledge That An Administration Fee Will Be Charged For All Change Orders Received after the cutoff date. No estimates or orders will be accepted once construction has commenced.
- Should a refund be requested on any extras purchased, an 80% reimbursement of the purchase price will be given. (a \$50.00 minimum charge and a maximum \$250.00 charge will apply.)
- The purchaser acknowledges and accepts that ANY changes made to upgrades after signing the 680's are subject to a minimum administration fee of \$150. PLUS a 10% holdback fee.
- Purchasers are aware that any request to add a percentage of upgrades from the 680's will be processed only after the builder receives approval letter from the bank.
9. **GENERAL** - The purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks, furnaces, air conditioning, basement wall height, specifications and material finishes may vary from model homes/plans.
- The number of steps required at entrances into the home and the garage entrance may vary from the model home/plans depending on individual lot grading requirements. Due to these steps, exterior railings may be required. Purchaser(s) acknowledge the requirement to install an approximate 3' x 3' landing with stairs at the garage entrance to the house as a result of the 2006 Building Code Requirement OBC 9.8.6.2. if 3 or more risers are required as a result of grading.
- Basement window wells may or may not be required depending upon individual lot grading requirements.

- Zoning bylaws specify maximum driveway widths which are based upon frontages. A tapering of The Purchaser's driveway may be required depending upon the frontage and specifically if the frontage is less than average as in the case of a pie-shaped lot.

- The grading and drainage of The Purchaser's lot has been designed and engineered to ensure that surface water is directed away from The Purchaser's home and into swales. These swales run at the side and rear of The Purchaser's property lines. Swales generally have more aggressive slopes relative to the general lot and will always occupy a portion of the useable space of The Purchaser's lot to serve their function properly.
- Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).

A Second Tentative Occupancy Date can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Occupancy Date. The Second Tentative Occupancy Date can be up to 120 days after the First Tentative Occupancy Date, and so could be as late as: the 2 day of August, 2023.

The Vendor must set a Firm Occupancy Date by giving proper written notice at least 90 days before the Second Tentative Occupancy Date. The Firm Occupancy Date can be up to 120 days after the Second Tentative Occupancy Date, and so could be as late as: the 30 day of November, 2023.

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Occupancy Date.

The Vendor can set a Delayed Occupancy Date that is up to 365 days after the earlier of the Second Tentative Occupancy Date and the Firm Occupancy Date: This Outside Occupancy Date could be as late as: the 1 day of August, 2024.

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser’s consent, may delay Occupancy twice by up to 120 days each time by setting a Second Tentative Occupancy Date and then a Firm Occupancy Date in accordance with section 1 of the Addendum and no later than the Outside Occupancy Date.

Notice of a delay beyond the First Tentative Occupancy Date must be given no later than: the 4 day of January, 2023.

(i.e., at least 90 days before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

Notice of a second delay in Occupancy must be given no later than: the 4 day of May, 2023.

(i.e., at least 90 days before the Second Tentative Occupancy Date), or else the Second Tentative Occupancy Date becomes the Firm Occupancy Date.

3. Purchaser’s Termination Period

If the home is not complete by the Outside Occupancy Date, then the Purchaser can terminate the transaction during a period of 30 days thereafter (the “Purchaser’s Termination Period”), which period, unless extended by mutual agreement, will end on: the 3 day of September, 2024.

If the Purchaser terminates the transaction during the Purchaser’s Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 7, 11 and 12 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Occupancy Dates and the Firm Occupancy Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home subject to all prescribed requirements, to provide Occupancy of the home without delay, and, to register without delay the declaration and description for the related common elements condominium corporation.
- (b) **First Tentative Occupancy Date:** The Vendor shall identify the First Tentative Occupancy Date in the Statement of Critical Dates attached to this Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Occupancy Date:** The Vendor may choose to set a Second Tentative Occupancy Date that is no later than 120 days after the First Tentative Occupancy Date. The Vendor shall give written notice of the Second Tentative Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (d) **Firm Occupancy Date:** The Vendor shall set a Firm Occupancy Date, which can be no later than 120 days after the Second Tentative Occupancy Date or, if a Second Tentative Occupancy Date is not set, no later than 120 days after the First Tentative Occupancy Date. If the Vendor elects not to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. If the Vendor elects to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the Second Tentative Occupancy Date, or else the Second Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the “Firm Occupancy Date” for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor, before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:

- (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
- (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;

Purchaser

Purchaser

Vendor

Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)

- (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
- (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party’s consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ○ Yes ○ No
- (d) If the answer in (c) above is “Yes”, then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed “Early Termination Conditions”:

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 11(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser’s claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser’s claim. The Vendor shall assess the Purchaser’s claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor’s assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the “Compensation”), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 11(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either: pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

9. Occupancy

If the Purchaser accepts or is required to accept Occupancy in advance of receiving a title transfer of the home, then the provisions of Schedule C shall apply.

MISCELLANEOUS

10. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or

Purchaser

Purchaser

Vendor

(Tentative Occupancy Date – POTL/CEC)

- (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the “Purchaser Occupancy Obligations”):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an “Occupancy Permit” means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6 or Schedule C.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor’s delay in providing Occupancy alone.

12. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 11(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser’s monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

1. The Purchaser shall be given Occupancy of the home on the Occupancy Date.
2. The Purchaser shall not be required to pay the balance due on the purchase price on the Occupancy Date unless the Occupancy Date is also the Closing Date.
3. The Purchaser shall pay to the Vendor a monthly **Occupancy Fee** from and after the Occupancy Date which shall not exceed an amount calculated as follows:
 - (i) interest calculated on a monthly basis on the unpaid balance of the purchase price at the prescribed rate as specified in subsection 19(1) of O.Reg 48/01 to the Condominium Act, 1998; plus

The Occupancy Fee shall be payable on the first day of each month in advance until the date of Closing. The Occupancy Fee is a fee for the use of the home and no part of it shall be credited as payments on account of the Purchase Price. If Occupancy does not occur on the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month.

4. If the Vendor charges the Purchaser a monthly Occupancy Fee for longer than six (6) months and the monthly Occupancy Fee includes a projected contribution to the reserve fund for the CEC, then, with respect to the Occupancy Fee for each month after the sixth month, the Vendor shall hold in trust and remit to the CEC upon registering the declaration and description for the CEC, the portion of the monthly Occupancy Fee that represents the projected contribution to the reserve fund.
5. The Vendor, during the Purchaser’s period of Occupancy,
 - (a) shall provide those services that the CEC corporation will have a duty to provide to owners after the registration of the CEC declaration and description;

6. The Vendor shall proceed with due diligence to register the CEC declaration and description. The Vendor shall, within 30 days of the registration of the CEC declaration and description, notify the Purchaser in writing of the date and instrument numbers of the registration, unless within that time the Purchaser receives a deed to the home that is in registerable form. Upon registration of the CEC declaration and description, the Vendor and Purchaser shall proceed to complete the title transfer on a date designated by the Vendor or its solicitor which shall be no later than sixty (60) days after the registration of the CEC declaration and description. If the Vendor for any reason whatsoever is unable to register the CEC declaration and description and therefore is unable to deliver a registerable Transfer/Deed to the Purchaser within twelve (12) months of the Occupancy Date, the Purchaser shall have the right for a period of 30 days after such twelve (12) month period, to give sixty (60) days written notice to the Vendor, to terminate the Occupancy licence and this Purchase Agreement. If the Purchaser gives notice of termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to the date of termination, after which this Purchase Agreement and Occupancy licence shall be terminated and section 7 of the Addendum applies.

Warranty Information for
New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed Information visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario’s Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distributionsystems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario’s Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario’s Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

SCHEDULE "G"

HARMONIZED SALES TAX AND NEW HOUSING REBATE

1. The parties acknowledge that as at the date of this Agreement, Harmonized Sales Tax ("HST") is applicable to this transaction pursuant to the Excise Tax Act (Canada) (the "**Legislation**") and that, the Purchaser may qualify for the GST/HST new housing rebate (as is authorized by the Legislation from time to time) (**the "New Housing Rebate"**) in respect of this transaction.
2. The Purchaser is hereby advised that the Purchase Price listed in "Purchase Price" Section of this Agreement includes all HST and the New Housing Rebate applicable to this transaction (refer to maximum rebate allowance in Clause 8) as at the date this Agreement is signed by the parties. All sales taxes applicable to the transaction (including any applicable New Housing Rebate) will be calculated as of the closing of the subject transaction and will be applied in accordance with the Legislation. In the event that there is a change to the Legislation after the execution of this Agreement but prior to the closing of this transaction, the Vendor shall make all applicable adjustments to the sales taxes payable in this transaction in accordance with all applicable Legislation.
3. The Purchaser hereby irrevocably assigns to the Vendor the benefit of the New Housing Rebate, if applicable to this transaction.
4. The Purchaser hereby warrants and agrees that:

(a) The Real Property is being purchased as the Purchaser's primary place of residence and that the Purchaser will take possession and occupy the Dwelling forthwith upon closing and will not allow occupancy of the Dwelling by any other individual (other than the Purchaser's immediate family) as a place of residence prior to occupancy by the Purchaser;

(b) Purchaser will execute and deliver on closing such documents as the Vendor may require to confirm the warranties and agreements contained in this Schedule; and

(c) Purchaser will submit to the Vendor on closing, prior to or after closing at the Vendor's request, an application or applications in the manner and in the form prescribed containing prescribed information required by the Legislation for the New Housing Rebate
5. The Purchaser acknowledges that the Vendor has calculated the Purchase Price on the assumption that the New Housing Rebate will be applicable to this transaction. If for any reason the Purchaser does not qualify for the New Housing Rebate, then the Purchaser shall be fully responsible for paying to the Vendor the amount of such New Housing Rebate plus interest at the Bank of Montreal prime rate from the date the statement of adjustments is calculated plus any fees, penalties or damages imposed on the Vendor under the Legislation. For greater certainty, the Purchaser acknowledges that the New Housing Rebate described above is for individuals buying a new house or residential condominium as a primary place of residence for themselves or a relation. It does not include the rebate for HST which may be available to investors buying a new house or residential condominium as a rental property (the **GST/HST "New Property Rebate"**). If the Property is being purchased for investment purposes, the Purchaser will not qualify for the New Housing Rebate and the Purchaser shall be responsible for paying to the Vendor an amount equal to the New Housing Rebate which has been included in the Purchase Price hereunder. All Purchasers buying a new house or residential condominium as a rental property are responsible for applying for the New Residential Rental Property Rebate after the closing of the subject transaction.

6. The Purchaser acknowledges and agrees that the Purchase Price set forth in this Agreement has been arrived at on the basis that the Purchase Price includes all Extras, premiums and bonuses and excludes any Extras ordered pursuant to a Change Order following the date of execution of this Agreement. The Purchaser acknowledges that the purchase of additional Extras following the date of execution of this Agreement may push the Purchase Price of the Real Property into a different sales tax category for the purposes of determining the amount of the New Housing Rebate, and that this may lower the amount of said New Housing Rebate applicable to the transaction. If a reduced New Housing Rebate is applicable under the Legislation due to the purchase of Extras following the date of execution of this Agreement, the Purchaser agrees to compensate the Vendor for the, amount by which the New Housing Rebate used to calculate the Purchase Price listed in the "Purchase Price" section herein exceeds the actual applicable New Housing Rebate, such amount to be credited to the Vendor as an adjustment on closing.
7. The Parties acknowledge that for purposes of Land Transfer Tax, the total consideration to be inserted in the Transfer/Deed of Land for this transaction shall be the total Purchase Price including Extras excluding HST and the New Housing Rebate, namely \$557,433.63 . The Purchaser is responsible for payment in full of the Land Transfer Tax and the cost of registration of the transfer.
8. The Purchaser agrees to execute all further documents required by the Vendor after closing to give effect to this Schedule.
