SCHEDULE "G"

HARMONIZED SALES TAX AND NEW HOUSING REBATE

1. The parties acknowledge that as at the date of this Agreement, Harmonized Sales Tax ("HST") is applicable to this transaction pursuant to the Excise Tax Act (Canada) (the "**Legislation**") and that, the Purchaser may qualify for the GST/HST new housing rebate (as is authorized by the Legislation from time to time) (**the "New Housing Rebate"**) in respect of this transaction.
2. The Purchaser is hereby advised that the Purchase Price listed in "Purchase Price" Section of this Agreement includes all HST and the New Housing Rebate applicable to this transaction (refer to maximum rebate allowance in Clause 8) as at the date this Agreement is signed by the parties. All sales taxes applicable to the transaction (including any applicable New Housing Rebate) will be calculated as of the closing of the subject transaction and will be applied in accordance with the Legislation. In the event that there is a change to the Legislation after the execution of this Agreement but prior to the closing of this transaction, the Vendor shall make all applicable adjustments to the sales taxes payable in this transaction in accordance with all applicable Legislation.
3. The Purchaser hereby irrevocably assigns to the Vendor the benefit of the New Housing Rebate, if applicable to this transaction.
4. The Purchaser hereby warrants and agrees that:
 - (a) The Real Property is being purchased as the Purchaser's primary place of residence and that the Purchaser will take possession and occupy the Dwelling forthwith upon closing and will not allow occupancy of the Dwelling by any other individual (other than the Purchaser's immediate family) as a place of residence prior to occupancy by the Purchaser;
 - (b) Purchaser will execute and deliver on closing such documents as the Vendor may require to confirm the warranties and agreements contained in this Schedule; and
 - (c) Purchaser will submit to the Vendor on closing, prior to or after closing at the Vendor's request, an application or applications in the manner and in the form prescribed containing prescribed information required by the Legislation for the New Housing Rebate
5. The Purchaser acknowledges that the Vendor has calculated the Purchase Price on the assumption that the New Housing Rebate will be applicable to this transaction. If for any reason the Purchaser does not qualify for the New Housing Rebate, then the Purchaser shall be fully responsible for paying to the Vendor the amount of such New Housing Rebate plus interest at the Bank of Montreal prime rate from the date the statement of adjustments is calculated plus any fees, penalties or damages imposed on the Vendor under the Legislation. For greater certainty, the Purchaser acknowledges that the New Housing Rebate described above is for individuals buying a new house or residential condominium as a primary place of residence for themselves or a relation. It does not include the rebate for HST which may be available to investors buying a new house or residential condominium as a rental property (the **GST/HST "New Residential Rental Property Rebate"**). If the Property is being purchased for investment purposes, the Purchaser will not qualify for the New Housing Rebate and the Purchaser shall be responsible for paying to the Vendor an amount equal to the New Housing Rebate which has been included in the Purchase Price hereunder. All Purchasers buying a new house or residential condominium as a rental property are responsible for applying for the New Residential Rental Property Rebate after the closing of the subject transaction.

Purchaser

Vendor

6. The Purchaser acknowledges and agrees that the Purchase Price set forth in this Agreement has been arrived at on the basis that the Purchase Price includes all Extras, premiums and bonuses and excludes any Extras ordered pursuant to a Change Order following the date of execution of this Agreement. The Purchaser acknowledges that the purchase of additional Extras following the date of execution of this Agreement may push the Purchase Price of the Real Property into a different sales tax category for the purposes of determining the amount of the New Housing Rebate, and that this may lower the amount of said New Housing Rebate applicable to the transaction. If a reduced New Housing Rebate is applicable under the Legislation due to the purchase of Extras following the date of execution of this Agreement, the Purchaser agrees to compensate the Vendor for the, amount by which the New Housing Rebate used to calculate the Purchase Price listed in the "Purchase Price" section herein exceeds the actual applicable New Housing Rebate, such amount to be credited to the Vendor as an adjustment on closing.
7. The Parties acknowledge that for purposes of Land Transfer Tax, the total consideration to be inserted in the Transfer/Deed of Land for this transaction shall be the total Purchase Price including Extras excluding HST and the New Housing Rebate, namely the amount of \$804,400.87 . The Purchaser is responsible for payment in full of the Land Transfer Tax and the cost of registration of the transfer. The consideration value is subject to change, pursuant to any and all extras that are ordered pursuant to a Change Order following the date of the execution of this Agreement.
8. The Purchaser agrees to execute all further documents required by the Vendor after closing to give effect to this Schedule.

NON RESILIENT FLOORING WAIVER
for

HARDWOOD FLOORING

Hardwood flooring is both a practical and elegant flooring option suitable for use in many areas of the home.

Increasingly however inquiries into the use of hardwood flooring in non-conventional areas of the home such as kitchens have prompted a need to forewarn and to heed caution to this optional upgrade.

Valecraft Homes Limited recommends strongly against the use of hardwood flooring in kitchen areas due to the natural absorption properties of hardwood when in contact with water or high-humidity areas. Hardwood flooring which has taken on water or excessive moisture will cup and/or buckle and ultimately prove to be costly to repair.

It is for this reason that VALECRAFT HOMES LIMITED will not guarantee nor provide warranty beyond manufacturing defect for installation of hardwood flooring in any of the aforementioned areas.

Should you decide to proceed against the Builder’s recommendations, extreme caution and care must be taken not to leave any standing water on these floors for any length of time. All other care and maintenance instructions with respect to hardwood flooring must further be followed.

I/We, Federika Alejandra Maingot & Marc-Antoine Castonguay have read and fully understand the aforementioned caution and recommendation set forth by the builder and as such hereby release VALECRAFT HOMES LIMITED from future responsibility with respect to flooring damage caused as a result of water and/or excessive moisture.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you **by your builder** and backed by Tarion. For more detailed information, visit **tarion.com** and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here:

<https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Two digital signatures are shown side-by-side. The first signature is "FAM" and the second is "MLC". Above each signature is a small "DS" icon.

A small logo consisting of the letters "FN" inside a rounded square border. Above the logo is a small "DS" icon.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>

Important Next Steps

1. Visit Tarion's website to learn more about your warranty coverage and the process for getting warranty assistance, as well as your rights, responsibilities, and obligations as a new homeowner.
2. Prepare for your pre-delivery inspection (PDI). Visit Tarion's website for helpful resources, including a PDI Checklist and educational videos.
3. Register for Tarion's **MyHome** right after you take possession. MyHome is an online tool you can use from your computer or mobile device that allows you to submit warranty claims and upload supporting documents directly to your builder and Tarion. It also alerts you to important dates and warranty timelines, allows you to receive official correspondence from Tarion electronically, and schedule an inspection with Tarion when you need assistance.

Valecraft Homes Décor Disclaimers

Lot#: 7 Model:826 THE BRADLEY 3 BED ELEV B in Place St. Thomas - Valecraft Homes (2019) Limited
PURCHASERS: Federika Alejandra Maingot and Marc-Antoine Castonguay

TEL:

Through years of doing business, we at Valecraft Homes have encountered issues beyond our control. The following disclaimers apply to all instances of Schedule B1A and 680 forms and all Colour Chart forms.

HOUSE EXTERIORS

The Vendor has the right to exercise full architectural control over exterior finishes and as such, the Vendor shall have final approval of all colour selections. This includes but is not limited to additional brick to external side yard walls to enhance the streetscape and/or to comply to municipal agreements.

Variations in subcontractors across different sites and varying site conditions may result in house exteriors that differ from the artist renderings. The Builder cannot be responsible for results which differ from the artists renderings of elevations.

ADDITIONAL WINDOWS

Additional windows to side elevations are subject to limiting distance as per Current Ontario Building Code and Municipal Zoning.

MULTI-MEDIA

The Purchaser understands that all Multi Media locations are approximate and vary from chosen locations.

IN-WALL CONDUIT FOR AUDIO/VIDEO CABLES

The Purchaser acknowledges and accepts that due to the variation in framing requirements in different parts of the Purchaser's home, conduit lengths and routing can vary. In virtually all instances of ground floor installation (i.e. above a fireplace), conduit will first travel down into the basement below the floor joists, over to the termination point and back up into the main floor. As a result, it is best to measure the length of the conduit after occupancy with a "pull wire" before purchasing The Purchaser's cables. For above fireplace installations, the conduit wall plate will be installed approximately 10" above the Fireplace Mantle, unless otherwise specified in the Client Upgrades.

PLANS

Plans are subject to change without notice. Actual usable floor space may vary from the stated floor area. Layout for the services, kitchen, furnace, HWT and laundry tub may vary from plan. Vertical and horizontal bulkhead, which are not shown on plan, may be required for plumbing and heating runs. E.& O.E.

For townhomes, Purchasers Agree to sign an exterior block plan layout when available. Purchaser(s) acknowledge that rooflines may be altered at this time from the brochure due to block assembly.

INVENTORY AND MODEL HOMES:

Purchaser(s) Acknowledge And Accept That All Interior Colours And Wiring Have Been Selected And Installed By The Vendor And Will Remain As Installed. (Ie: Cabinetry, Flooring And Paint Colours But Not Limited To.)

SELECTIONS AND APPOINTMENTS:

All colour and material selections are to be made from Vendor's standard samples unless otherwise paid for as an upgrade.

In the event the work on the house has progressed beyond the point where the items covered by these invoices cannot be installed without entailing any unusual expense, then this order is to be cancelled and any deposit paid in connection with the same is to be refunded to the Purchaser.

The vendor will undertake to incorporate the work covered by the sales extra in the construction of the house but will not be liable to the Purchaser in any way, if for any reason the work covered by the extra is not carried out. In that event, any monies paid in connection with the same shall be returned to the Purchaser.

Valecraft Homes Décor Disclaimers

Lot#: 7 Model:826 THE BRADLEY 3 BED ELEV B in Place St. Thomas - Valecraft Homes (2019) Limited
PURCHASERS: Federika Alejandra Maingot and Marc-Antoine Castonguay

TEL:

It is understood and agreed that if for any reason whatsoever the transaction of Purchase and Sale is not completed, the total cost of extras ordered are not refundable to the Purchaser(s). Extras or changes will not be processed unless signed by the Vendor. These extras may not be amended without the written consent of Valecraft Homes.

The Purchaser(s) acknowledge and accept that failure to finalize the structural or colour selections by their cut-off date may result in a delay in construction and the builder has the right to extend the closing date. Due to failure to complete the above-mentioned selections and at no fault of us, the builder reserves the right to hold The Purchaser responsible for a delayed closing, including charging extra administration cost and interest on the balance due on closing.

ADMINISTRATION FEES

Purchaser(s) Acknowledge That An Administration Fee Will Be Charged For All Change Orders Received Later Than 14 Days After Firm Up. No estimates or orders will be accepted once construction has commenced.

Should a refund be requested on any extras purchased, an 80% reimbursement of the purchase price will be given. (a \$50.00 minimum charge and a maximum \$250.00 charge will apply)

Prices and specifications which do not form part of this Agreement are subject to change without notice at the sole discretion of the vendor. Should a change in price occur, Valecraft Homes reserves the right to request from the Purchaser an adjustment of the price or a refund limited to that item.

The Purchaser acknowledges and accepts that ANY changes made to upgrades after signing the 680's are subject to a minimum administration fee of \$150. PLUS a 10% holdback fee.

Purchasers are aware that any request to add a percentage of upgrades from the 680's will be processed only after the builder receives approval letter from the bank.

GENERAL:

The Purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, central air conditioning and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks and furnaces, basement wall height, specifications and material finishes may vary from model homes/plans.

The number of steps required at entrances into the home and the garage entrance may vary from the model home/plans depending on individual lot grading requirements. Due to these steps, exterior railings may be required. Purchaser(s) acknowledge the requirement to install an approximate 3' x 3' landing with stairs at the garage entrance to the house as a result of the 2006 Building Code Requirement OBC 9.8.6.2. if 3 or more risers are required as a result of grading.

Basement window wells may or may not be required depending upon individual lot grading requirements.

Zoning bylaws specify maximum driveway widths which are based upon frontages. A tapering of The Purchaser's driveway may be required depending upon the frontage and specifically if the frontage is less than average as in the case of a pie-shaped lot.

The grading and drainage of The Purchaser's lot has been designed and engineered to ensure that surface water is directed away from The Purchaser's home and into swales. These swales run at the side and rear of The Purchaser's property lines. Swales generally have more aggressive slopes relative to the general lot and will always occupy a portion of the useable space of The Purchaser's lot to serve their function properly.

Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).

STAIRCASE VS FLOORING WOOD SPECIES DIFFERENCE

The Purchaser acknowledges and accepts that the wood species of the staircase and flooring chosen do not match. This difference might result in an undesirable colour variance. The Purchaser acknowledges and accepts that though the flooring is of the same species as the staircase the difference in product finishing may result in a stain colour variance. The Purchaser agrees that the vendor is to be exempt from any and all claims by the Purchaser regarding this colour variance.

Valecraft Homes Décor Disclaimers

Lot#: 7 Model:826 THE BRADLEY 3 BED ELEV B in Place St. Thomas - Valecraft Homes (2019) Limited
PURCHASERS: Federika Alejandra Maingot and Marc-Antoine Castonguay

TEL:

RAILINGS

All railings, spindles, posts, nosing’s and stairs come from solid wood and veneered wood materials sourced from multiple locations and suppliers. As such there will be variations in grains and shades between the various natural components beyond our control. Due to this variance in material, all components will stain with colour or natural finish differently. Iron spindles are wrought in nature and depending on the manufacturing process will have differences from spindle to spindle which is normal. Also the finish of the iron spindles is of a powder coated nature. This process can produce minor colour variations or tones. Furthermore, the assembly of the metal spindles can develop a natural rattle over time from vibration in the railing. Minor rattling is normal and is a part of the wrought iron spindle assembly.

FIREPLACE MANTLE

Due To Extremely High Heat Temperatures Exiting The Top Vent Of The Fireplace And The Potential For Damages To Heat Sensitive Electronics And/Or Wall Décor Installed Above The Fireplace, The Purchaser(s) Acknowledge(s) That The Builder Recommends Installing A Fireplace Fan Kit As well As Maintaining The Mantle Installed Above The Fireplace.

STAIN COLOURS

Due to the many variables that can affect the outcome of a stain colour on wood, staircases, railings, and fireplace mantles, the colour may not be identical to samples. Factors such as density, age, humidity, air temperature, and the uniqueness of each piece of wood can result in wide variations in darkness or lightness. The builder will make every attempt to come as close to the sample as possible, but cannot be responsible for results which differ from the samples.
Stain on pre-finished hardwood floors will not be an exact match to the stain colours available on stairs, spindles and rails. The Purchaser is to choose from the builder’s stain samples for these areas to their satisfaction.

APPLIANCE SPECIFICATIONS

All appliance openings are set to the builder's standard openings. Please advise the Sales Representative at time of the structural appointment if custom sizing of cabinets is required for any built - in appliances. The Purchaser is responsible for costs and fees associated with changes to pre-manufactured kitchens made subsequent to colour appointments.

The Purchaser acknowledges and accepts that in order to accommodate upgraded appliances, all appliance specifications should be provided at the time of their structural appointment. Should this not occur they must be provided to the Décor Center within one (1) week of completion of structural chart. Failure to do so, may result in the need to revert to the standard appliance openings or in a delay in construction of The Purchaser’s dwelling, as a cost of \$150 to re-open The Purchaser’s structural file should changes be required. As a result, the builder may be forced to extend the closing of The Purchaser’s transaction. Due to failure to complete the above-mentioned selections and at no fault of our own, the builder reserves the right to hold The Purchaser responsible for this delayed closing, including charging extra administration cost and interest on the balance due on closing.

Purchaser(s) acknowledge that High Efficiency Washing machines have the potential to create vibrations due to the tub spinning at very high speeds.

Purchasers Accept Standard Appliance Openings (unless otherwise specified):
Fridge - 33"W x 70.75" High Approx.
Range - 30-1/2"D x 31-1/2"W Approx.
Dishwasher - 24" W Approx.

GRANITE, MARBLE ENGINEERED SURFACES WAIVER

Due to the natural composition of such materials as Granite and Marble, inherent variations in texture, colour and consistency are to be expected and considered normal. As such, the client is given an opportunity to view the slab prior to installation (W4) and the Purchaser agrees not to hold the Vendor liable for such variations. All countertop surfaces which may have seams, the product pattern & shades can change in these areas.

CERAMIC BACKSPLASHES:

The Purchaser(s) Acknowledge & Accept That The Vendor Does Not Recommend The Deletion Of The Ceramic Kitchen Backsplash & That The Vendor Will Not Be Liable For Any Damage To The Drywall, Paint, Cabinets Or Countertops Resulting From The Deletion Of The Backsplash.

FILE COMPLETION:

Purchaser has attended a Colour appointment at the Decor Centre & has DECLINED any additional upgrades and accepts and acknowledges that there will be no further structural changes/additions/deletions to be made upon signing.

RESELECTIONS

It is not uncommon for flooring, such as tile, to become discontinued prior to its installation. Therefore, it may be necessary to make a reselection of certain materials sometime during the building process. The builder cannot assure The Purchaser that another choice approximating The Purchaser’s selection will be available.

Valecraft Homes Décor Disclaimers

Lot#: 7 Model:826 THE BRADLEY 3 BED ELEV B in Place St. Thomas - Valecraft Homes (2019) Limited
PURCHASERS: Federika Alejandra Maingot and Marc-Antoine Castonguay

TEL:

GENERAL:

The vendor may substitute materials of equal or greater value without consent.

The Purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, central air conditioning and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks and furnaces, basement wall height, specifications and material finishes may vary from model homes/plans.

The Purchaser understands that due to normal manufacturing production, materials which are installed in the home may vary slightly in colour from the vendor's samples and/or model homes.

The wood used in the finishing products of The Purchaser's home such as wood flooring, cabinetry and railings exhibit natural variations in colour tone, graining pattern and consistency. As no two pieces of wood are identical, these natural variations will create colour variations upon staining thereby making it virtually impossible to achieve true colour consistency.

Any hardwood flooring installed in the Real Property is made of kiln-dried natural material which is subject to natural shrinkage (typically in winter when humidity levels tend to be low) and expansion (typically in summer when humidity levels tend to be high) for which the Purchaser(s) agrees is not the responsibility of the Vendor and agrees that the Vendor shall not be liable in respect of such issues. The Purchaser(s) also acknowledges being advised by the Vendor that ceramic tile rather than hardwood flooring is recommended at entry points to the home due to the possibility of water exposure. The Purchaser(s) is advised that the Ontario Building Code recommends against the installation of wood flooring in kitchens, bathrooms, entrance halls, laundry, and general storage areas (the "Designated Areas"). Wood flooring is water permeable and over time such flooring and sub-flooring beneath it could deteriorate if moisture persists. Should the Purchaser(s) selections for materials for the dwelling include wood flooring in the designated areas, the Purchaser(s) assumes the risks described herein voluntarily.

Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).

I hereby acknowledge reading and understanding the above copy and will not hold Valecraft Homes responsible for any issues in relation to above.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Valecraft Homes (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Valecraft Homes:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: frank@valecraft.com

To advise Valecraft Homes of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at frank@valecraft.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Valecraft Homes

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to frank@valecraft.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Valecraft Homes

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to frank@valecraft.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Valecraft Homes as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Valecraft Homes during the course of your relationship with Valecraft Homes.
