VALECRAFT HOMES (2019) LIMITED
SCHEDULE 'A'

GENERAL REQUIREMENTS April 1, 2024 to March 31, 2025

SERVICE

54. Deficiencies listed by the Builder during construction or at time of the Pre-Delivery inspection must be completed and repaired within 3 Business Days of submission. If unable to complete, written notice must be submitted to Site Foreman and/or Service Department.
55. Work orders may be issued by our Service Department for a variety of different reasons, ranging from incomplete work, unsatisfactory work and/or damages to your work made by another contractor. Whatever the reason, whether or not payment for those repairs is due, you are responsible for carrying out your service on an ongoing basis throughout the warranty period.
56. Since your performance in providing prompt and professional service to our homeowners ultimately reflects on the Builder, we obviously place a great deal of emphasis on Service. Your past servicing performances, either with us, as interpreted throughout the industry and/or from referral forms, are a very important component towards our decision to award a contract or not.
57. The Contractor must perform the Service Work as indicated on the work order without exception on the pre-scheduled date provided by the builder or date set out by the contractor's service department. This date is noted on the work order or is to be forwarded to the Builder's Customer Service Department. Furthermore, the Contractor and/or their representatives will present themselves in a professional manner and shall carry out the necessary service work. All communications with the Customer shall always be done in a polite and professional manner. Failure to do so will constitute grounds for termination of this contract.
58. Work orders are to be completed, signed off and dated by the Homeowner on the pre-scheduled date given by the Builder or scheduled by the Contractor. The Builder will accept only Homeowner's signed work orders as acceptance that work has been properly completed. This signed work order is to be sent back to the Builder as it indicates to us and to Tarion Warranty Corporation that the homeowner has accepted the work and that the work is to their satisfaction.
- A. Failure to attend a Service Call on a pre-arranged scheduled date may result in a **Back Charge** to Contractor.
- B. Any new items brought forward at scheduled date to Contractor must be brought to the attention of our Service Department. This message to also be relayed to Homeowner by Contractor. (To set Expectations)
59. If the homeowner does not sign off on the Work Order for any reason you must sign, date and write a brief explanation of the situation within 3 Business Days. Email Copy of the Work Order to our Service Department at service@valecraft.com in Head Office.
60. Incomplete work which goes beyond the pre-scheduled date, set by the Builder, must be communicated in writing to our Service Department along with an explanation as to why said work is not done.
61. A monthly status reporting of each work order is mandatory and a vital component of your contractual agreement with the Builder. Failure to perform Customer Service work on time will ultimately result in cheques being withheld until the necessary Service work has been completed.
62. The Contractor understands that the service work that is a result of not completing its contractual obligations, or that the workmanship is deemed unacceptable, will perform the service at no charge. For works that are beyond the scope of the contract, or that is considered PO work by the Service Department, the service work will be done at a cost that is accepted by the Service Department or hourly as noted on the Schedule "C". The hours worked are only the time required to do such work and does not include travel time to the home that is to be serviced.

GENERAL REQUIREMENTS April 1, 2024 to March 31, 2025

WARRANTY PERIOD

63. The Contractor agrees not to perform any extra work(s) requested by the builder's homeowner for a period of one year following the occupancy date. The Contractor also agrees to attend to all Service Warranties under their applicable warranty period as indicated below.
- A. The One-Year Warranty – free from all defects in work and materials.
- B. The Two-Year Warranty:
- Water penetration through the basement or foundation walls.
 - Defects in materials or work (including windows, doors and caulking) that result in water penetration into the building envelope.
 - Defects in materials and work in the electrical, plumbing and heating delivery and distribution systems.
 - Defects in materials and work which result in detachment, displacement or deterioration of exterior cladding (such as brickwork, aluminum or vinyl siding.)
 - Violations of Ontario Building Code regulations under which the Building Permit was issued, affecting health and safety, including but not limited to fire safety, insulation, air and vapour barriers, ventilation, heating and structural adequacy.

TERMINATION

64. In the event the Contractor is in breach of any of its obligations under this Agreement, or if the builder's sole and absolute discretion it no longer wishes to retain the services of the Contractor, then the builder may immediately upon being served written notice, terminate this Agreement by giving notice in writing to the Contractor. The Contractor shall cease all work under this Agreement, and the builder shall be responsible to pay the Contractor any amount owing for services rendered subject to any required construction lien holdbacks or holdbacks for any deficient and/or uncompleted work. Further, the builder may retain monies which may be required to carry out and complete the contractual obligations of this Contractor. Notwithstanding any termination of this Agreement by the builder, the Contractor shall remain responsible for providing any warranty work, or correcting any deficient work as set out in this Agreement.
65. This Contract was awarded to your company based upon an expected quality of workmanship and level of service. Failure to provide either shall constitute grounds for the immediate termination of this Contract.
66. The Builder has the right to cancel this agreement for any breach thereof by the Contractor upon giving 48 hours written notice to the Contractor and the Contractor failing to remedy the breach within the said 48 hours. In the event this agreement is cancelled the Contractor shall not have further recourse against the Builder.
