Notwithstanding the foregoing, the Purchaser acknowledges and accepts that the length of time for the Purchaser’s selections that occurs beyond receipt of notification from the Vendor may give rise to the need of the Vendor to exercise its unilateral right to extend the Closing in accordance with the provisions of the *Ontario New Home Warranties Plan Act*. 7. **Pre-Delivery Inspection:** The Purchaser acknowledges that the pre-occupancy inspection is the only opportunity the Purchaser will have to inspect the dwelling accompanied by a representative of the Vendor prior to Closing and that if the Purchaser is arranging independent mortgage financing, any applicable lenders or their appraisers, inspectors or authorized representatives will not have access to the dwelling other than at the time of the pre-occupancy inspection (the “Pre-Delivery Inspection”). Except only for such right of Pre-Delivery Inspection, the Purchaser and the Purchaser’s agents, invitees and licensees shall not enter on, upon or into the land prior to Closing, or do, or permit to be done, any work and or/supply of any material to the Land before Closing. e) any further restrictions, conditions or covenants that run with the Land, provided same have been complied with.

The Purchaser is not to call for production of any title deed, abstract or other evidence of title except such as are in the possession of the Vendor and the Vendor shall not be required to produce evidence of compliance with any of the aforementioned easements, agreements, restrictions, conditions or covenants and the Purchaser shall satisfy himself with respect to same. The Purchaser is to be allowed until fifteen (15) days prior to Closing, to investigate the title to the Real Property at his own expense. If, within that time, any valid objection to title is made in writing to the Vendor, which the Vendor shall be unable or unwilling to remove, and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations in respect of such objection, be null and void, and the deposit monies paid by the Purchaser hereunder shall be returned by the Vendor without interest or deduction and the Vendor shall not be liable for any other costs or damages whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.

9. **Easements:** In the event that any of the easements referred to in the foregoing paragraph have not been granted by Closing, the Purchaser covenants and agrees with the Vendor to execute any usual and reasonable grant or grants of easement over or under the Land herein required by The United Counties of Stormont, Dundas and Glengarry or other authority including Ontario Hydro, Hydro One, Bell Canada, Enbridge Consumers’ Gas, Rogers Communications Inc., or any public authority or utility relating to drainage or other joint service or public purpose during a period of five (5) years from Closing, which covenant shall survive Closing, provided that said easement does not interfere with the dwelling constructed on the Real Property.
10. **Discharge of Prior Mortgages:** The Purchaser acknowledges that the Real Property on Closing may be encumbered by one or more mortgages which are not intended to be assumed by the Purchaser and the Purchaser further agrees that the Vendor shall not be required to obtain and register discharges of any such mortgages with respect to the Real Property until a reasonable time after Closing, provided that if the mortgage is held by a corporation incorporated pursuant to the Trust And Loan Companies Act (Canada), Chartered Bank, Trust Company, Credit Union, Caisse Populaire or Insurance Company, the Purchaser agrees to accept the Vendor’s lawyer’s personal undertaking to obtain, out of the closing funds, a discharge in registrable form and to register same on title within a reasonable period of time after Closing and, provided further the Vendor shall provide to the Purchaser a mortgage statement prepared by the mortgagee setting out the balance required to obtain the discharge, together with a direction executed by the Vendor directing payment to the mortgagee of the amount required to obtain the discharge out of the balance due on completion.
11. **Adjustments:** Taxes, local improvements, water and assessment rates and the cost of electricity will be apportioned and allowed to the Closing, the date of Closing itself to be apportioned to the Purchaser. On or before Closing, the Vendor shall have paid all realty taxes due and owing with respect to the Lands. In the event that realty taxes have not yet been separately assessed for the Real Property, the Vendor shall have the option of undertaking to pay all realty taxes on the Land alone for the year in which Closing occurs, in which event the Vendor shall receive a credit in the statement of adjustments for the estimated amount of such taxes, notwithstanding that all such taxes may not yet be due and payable and this will not yet have been paid. When the actual amount of such estimated realty taxes for the land alone have been determined, the Vendor and Purchaser agree to readjust the statement of adjustments and to make the appropriate payment to each other. Notwithstanding anything contained in this agreement as to payment of property taxes, the Purchaser acknowledges that he is responsible for ensuring that the Real Property is properly assessed for property tax purposes and for taking such steps as may be necessary by way of appeal or otherwise in respect of the Notice of Assessment forwarded by the appropriate authority relating to occupancy of the Real Property.
12. The Purchaser agrees that he will reimburse the Vendor for the cost of enrolling the dwelling under the Tarion Warranty Corporation plus applicable HST.
13. The Purchaser acknowledges and accepts that the Real Estate Transaction Levy Surcharge imposed upon the Vendor or the Vendor’s Solicitor by the Law Society of Ontario upon the registration of a Transfer/Deed of Land will be the responsibility of the Purchaser and shall be credited to the Vendor on Closing.
14. The Purchaser acknowledges and accepts that there will be an administrative charge levied by The United Counties of Stormont, Dundas and Glengarry in conjunction with setting up the assessment roll number for the Real Property and that this administrative charge will be the responsibility of the Purchaser. If such administrative charge has or will be paid by the Vendor with the realty taxes for the Real Property, there will be a credit to the Vendor in the statement of adjustments. Furthermore, the Purchaser acknowledges and accepts that the Purchaser shall be responsible for any administrative charge to be levied by The United Counties of Stormont, Dundas and Glengarry in conjunction with the change of municipal records to reflect the transfer of ownership to the Purchaser.
15. The Purchaser acknowledges and accepts that any banking fees applicable to wire transfers for the delivery of funds to the Vendor’s solicitor will be the responsibility of the Purchaser and shall be credited to the Vendor on Closing.
16. The Purchaser acknowledges and accepts that any amounts expended by the Vendor to remove or discharge any registrations or liens caused to be registered by the Purchaser in respect of the Real Property or Land prior to Closing shall be credited to the Vendor on Closing.
17. The Purchaser acknowledges and accepts that any and all losses, damages and/or costs which may arise as a result of a breach by the Purchaser of any of its covenants and obligations under this Agreement shall be credited to the Vendor on Closing.
18. The Purchaser acknowledges and accepts that any and all amounts expended by the Vendor to correct, rectify, and/or remedy any damage caused by the Purchaser, and those for whom it is in law responsible, to any service, utilities, installations or equipment installed within the Subdivision shall be credited to the Vendor on Closing.

19. The Purchaser acknowledges and accepts that any administrative fees and costs, where and if applicable in the circumstances described in the relevant paragraphs of this Agreement, and to the extent not already described above or elsewhere in this Agreement, shall be credited to the Vendor on Closing.
20. In the event that, at the Purchaser’s request, the Vendor agrees to extend the Firm Closing Date (as such term is more particularly described in Tarion Schedule E hereto), the Vendor reserves the right to charge a fee of \$250 plus HST as a credit to the Vendor in the statement of adjustments for each day from and including the day on which Closing was to have taken place to and including the extended closing date. Notwithstanding the foregoing, the Vendor shall not be obliged to agree to any request of the Purchaser to delay Closing and at all times, time shall remain of the essence of this Agreement.
21. **Planning Act:** This Agreement is subject to compliance by the Vendor with the *Planning Act* as amended, and any necessary approval of the conveyance shall be obtained by the Vendor at its expense.
22. **Closing and Compensation For Delayed Closing:** This Agreement shall be completed as set for Closing pursuant to the Tarion Schedule E, on which date vacant possession of the Real Property is to be given to the Purchaser. In the event that the completion of the dwelling is delayed by any reason or cause beyond the control of the Vendor, the Vendor shall be permitted postponements as set out in the Tarion Schedule E. If the Vendor should be unable to substantially complete the dwelling for occupancy or close this transaction within the extended time, failing agreement in writing by both the Vendor and the Purchaser to further extend the Closing in accordance with the provisions of the Tarion Schedule then this Agreement shall be at an end and the deposit monies returned to the Purchaser without interest or deductions and the Vendor shall not be liable to the Purchaser for any damages, costs, expenses suffered or incurred by the Purchaser as a result of any delay in Closing, other than as provided by the Ontario New Home Warranties Plan Act and the regulations thereunder, as set out in Tarion Schedule E. In the event that the dwelling being erected on the land is substantially completed for occupancy by the date of Closing, or any extension thereof, the sale shall be completed on that date and the Vendor shall complete any outstanding details of construction required by this Agreement within a reasonable time thereafter, having regard to weather conditions and the availability of supplies.
22. **Access by Vendor After Closing:** The Vendor or persons authorized by the Vendor shall have free access at all reasonable hours to enter upon the Real Property after Closing in order to make inspections and do any work or repairs thereon which the Vendor deems necessary.
23. The Purchaser covenants and agrees not to erect a fence or fences on the Real Property for a period of one year from date of closing. In the event that the Purchaser erects a fence or fences on any portion of the Real Property prior to one year from date of closing the Vendor shall be relieved from all warranty obligations relating to landscaping and grading and the Vendor shall not thereafter be obliged to amend, alter or repair the grading or any part thereof. This covenant shall not merge with the closing of this transaction.
24. **Dispute Resolution:** In the event that either before or after the Closing any dispute arises out of this transaction, the Vendor shall have the option to terminate this Agreement, or if after Closing to require a reconveyance of the Real Property, upon payment to the Purchaser by certified cheque of the total amount of all sums paid by the Purchaser pursuant to this Agreement and on account of taxes. The said option to terminate or reconvey may be exercised by the Vendor giving notice to the Purchaser or their Solicitor by telefax, prepaid registered mail or personal service at any time before the Closing (for option to terminate) and thereafter (for option to reconvey) within three hundred and sixty-five (365) days of the date the Vendor determines that the dispute arose. If the said option to reconvey is exercised by the Vendor after Closing the Purchaser shall vacate the dwelling and shall reconvey the Real Property to the Vendor both within thirty (30) days of the notice of option to reconvey being given and shall pay to the Vendor on account of the Purchaser's period of possession a sum calculated at a yearly rate of ten percent (10%) of the purchase price, adjusted pro-rata to the date of reconveyance. The Purchaser covenants, acknowledges and agrees that in such event he shall be responsible for any damage caused to the dwelling during the period of possession, reasonable wear and tear excluded and further acknowledges and agrees that no claim for damages, compensation or other relief will accrue to or be pursued by the Purchaser and hereby constitutes these presents as a full release, waiver and estoppel of any such claim. This option to terminate or reconvey shall not apply to any matter governed by Tarion Warranty Corporation during the period of time that any such matter may be subject to the dispute resolution mechanisms established under the Tarion Warranty Corporation.
25. **Transfer/ Deed of Land:** The deed or transfer (the "**Transfer**") shall be prepared by the Vendor's solicitor, at a cost to the Purchaser of **\$275.00 plus HST** payable on Closing and be messaged electronically to the Purchaser’s Solicitor for review and approval. The Purchaser’s Solicitor agrees to notify the Vendor’s Solicitor at least 10 days prior to Closing as to the manner in which the Purchaser will be taking title and the Purchaser’s address for service. If the Purchaser’s Solicitor fails to give such notification, the Vendor’s Solicitor shall be entitled to prepare the Transfer to the Purchaser as described herein, and if there is more than one Purchaser, the Transfer will show them as joint tenants and insert the Real Property as the Purchaser’s address for service. The Purchaser acknowledges that the consideration shown in the Transfer includes the Tarion Warranty Corporation enrolment fee pursuant to tax bulletin LTT 1-2006 “Determining the Value of the Consideration for Transfers of New Homes”. The Affidavit of Value of the Consideration pursuant to the *Land Transfer Tax Act* shall be completed by the Purchaser's solicitor, and the deed or transfer shall contain, or shall be subject to such covenants and restrictions as the Vendor shall require in order to comply with the provisions of any subdivision or other agreement entered into by the Vendor, or any predecessor, with the relevant municipality or municipalities. If required, the Purchaser agrees to execute the deed or transfer. The tender shall be validly and effectively made by the Purchaser if:

(a) The Purchaser's Solicitor has delivered all Closing documents to the Vendor's Solicitor as well as payment of the Purchase Price in full, pursuant to the statement of adjustments;

This includes but is not limited to additional brick to external side yard walls to enhance the streetscape and/or to comply to municipal agreements.

- Variations in subcontractors across different sites and varying site conditions may result in house exteriors that differ from the artist renderings. the Builder cannot be responsible for results which differ from the artists renderings of elevations.
- ADDITIONAL WINDOWS** - Additional windows to side elevations are subject to limiting distance as per Current Ontario Building Code and Municipal Zoning.
- CAT6** - The Purchaser understands that all CAT6 locations are approximate and vary from chosen locations.
- IN-WALL CONDUIT FOR AUDIO/VIDEO CABLES** - The purchaser acknowledges and accepts that due to the variation in framing requirements in different parts of the Purchaser's home, conduit lengths and routing can vary. In virtually all instances of ground floor installation (i.e. above a fireplace), conduit will first travel down into the basement below the floor joists, over to the termination point and back up into the main floor. As a result, it is best to measure the length of the conduit after occupancy with a "pull wire" before purchasing The Purchaser's cables. For above fireplace installations, the conduit wall plate will be installed approximately 10" above the Fireplace Mantle, unless otherwise specified in the Client Upgrades.

SELECTIONS AND APPOINTMENTS

- All colour and material selections are to be made from Vendor's standard samples unless otherwise paid for as an upgrade.

- In the event the work on the house has progressed beyond the point where the items covered by these invoices cannot be installed without entailing any unusual expense, then this order is to be cancelled and any deposit paid in connection with the same is to be refunded to the purchaser.

- The vendor will undertake to incorporate the work covered by the sales extra in the construction of the house but will not be liable to the purchaser in any way, if for any reason the work covered by the extra is not carried out. In that event, any monies paid in connection with the same shall be returned to the purchaser.

- It is understood and agreed that if for any reason whatsoever the transaction of Purchase and Sale is not completed, the total cost of extras ordered are not refundable to the Purchaser(s). Extras or changes will not be processed unless signed by the Vendor. These extras may not be amended without the written consent of Valecraft Homes.

- The Purchaser(s) acknowledge and accept that failure to finalize the structural or colour selections by their cut-off date may result in a delay in construction and the builder has the right to extend the closing date. Due to failure to complete the above-mentioned selections and at no fault of us, the builder reserves the right to hold The Purchaser responsible for a delayed closing, including charging extra administration cost and interest on the balance due on closing.
- 8

ADMINISTRATION FEES

- Purchaser(s) Acknowledge That An Administration Fee Will Be Charged For All Change Orders Received after the cutoff date. No estimates or orders will be accepted once construction has commenced.

- Should a refund be requested on any extras purchased, an 80% reimbursement of the purchase price will be given. (a \$50.00 minimum charge and a maximum \$250.00 charge will apply.)

- The purchaser acknowledges and accepts that ANY changes made to upgrades after signing the 680's are subject to a minimum administration fee of \$300. PLUS a 10% holdback fee.

- Purchasers are aware that any request to add a percentage of upgrades from the 680's will be processed only after the builder receives approval letter from the bank.
9.

GENERAL

- The purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks, furnaces, air conditioning, basement wall height, specifications and material finishes may vary from model homes/plans.

- The number of steps required at entrances into the home and the garage entrance may vary from the model home/plans depending on individual lot grading requirements. Due to these steps, exterior railings may be required. Purchaser(s) acknowledge the requirement to install an approximate 3' x 3' landing with stairs at the garage entrance to the house as a result of the 2006 Building Code Requirement OBC 9.8.6.2. if 3 or more risers are required as a result of grading.

- Basement window wells may or may not be required depending upon individual lot grading requirements.

- Zoning bylaws specify maximum driveway widths which are based upon frontages. A tapering of The Purchaser's driveway may be required depending upon the frontage and specifically if the frontage is less than average as in the case of a pie-shaped lot.

- The grading and drainage of The Purchaser's lot has been designed and engineered to ensure that surface water is directed away from The Purchaser's home and into swales. These swales run at the side and rear of The Purchaser's property lines. Swales generally have more aggressive slopes relative to the general lot and will always occupy a portion of the useable space of The Purchaser's lot to serve their function properly.

- Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).

PURCHASER Corbin Allaster Murray
Full Name(s)

1. Critical Dates

The **First Tentative Closing Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is: the 30 day of April, 2026.

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as: the 28 day of August, 2026.

The Vendor must set a **Firm Closing Date** by giving proper written notice at least 90 days before the Second Tentative Closing Date. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as: the 29 day of December, 2026.

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.

The Vendor can set a **Delayed Closing Date** that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date: This **Outside Closing Date** could be as late as: the 30 day of August, 2027.

2. Notice Period for a Delay of Closing

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: the 30 day of January, 2026.
(i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

Notice of a second delay in Closing must be given no later than: the 29 day of May, 2026.
(i.e., at least **90 days** before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

3. Purchaser's Termination Period

If the purchase of the home is not completed by the Outside Closing Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on: the 29 day of September, 2027.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the “Firm Closing Date” for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

(Tentative Closing Date)

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party’s consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ☐ Yes ☐ No
- (d) If the answer in (c) above is “Yes”, then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed “Early Termination Conditions”:

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an “Occupancy Permit” means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed Information visit tarion.com and log into our online learning hub at www.tarion.com/learning hub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario’s Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario’s Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario’s Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

SCHEDULE "G"

HARMONIZED SALES TAX AND NEW HOUSING REBATE

1. The parties acknowledge that as at the date of this Agreement, Harmonized Sales Tax ("HST") is applicable to this transaction pursuant to the Excise Tax Act (Canada) (the "**Legislation**") and that, the Purchaser may qualify for the GST/HST new housing rebate (as is authorized by the Legislation from time to time) (**the "New Housing Rebate"**) in respect of this transaction.
2. The Purchaser is hereby advised that the Purchase Price listed in "Purchase Price" Section of this Agreement includes all HST and the New Housing Rebate applicable to this transaction (refer to maximum rebate allowance in Clause 8) as at the date this Agreement is signed by the parties. All sales taxes applicable to the transaction (including any applicable New Housing Rebate) will be calculated as of the closing of the subject transaction and will be applied in accordance with the Legislation. In the event that there is a change to the Legislation after the execution of this Agreement but prior to the closing of this transaction, the Vendor shall make all applicable adjustments to the sales taxes payable in this transaction in accordance with all applicable Legislation.
3. The Purchaser hereby irrevocably assigns to the Vendor the benefit of the New Housing Rebate, if applicable to this transaction.
4. The Purchaser hereby warrants and agrees that:

(a) The Real Property is being purchased as the Purchaser's primary place of residence and that the Purchaser will take possession and occupy the Dwelling forthwith upon closing and will not allow occupancy of the Dwelling by any other individual (other than the Purchaser's immediate family) as a place of residence prior to occupancy by the Purchaser;

(b) Purchaser will execute and deliver on closing such documents as the Vendor may require to confirm the warranties and agreements contained in this Schedule; and

(c) Purchaser will submit to the Vendor on closing, prior to or after closing at the Vendor's request, an application or applications in the manner and in the form prescribed containing prescribed information required by the Legislation for the New Housing Rebate
5. The Purchaser acknowledges that the Vendor has calculated the Purchase Price on the assumption that the New Housing Rebate will be applicable to this transaction. If for any reason the Purchaser does not qualify for the New Housing Rebate, then the Purchaser shall be fully responsible for paying to the Vendor the amount of such New Housing Rebate plus interest at the Bank of Montreal prime rate from the date the statement of adjustments is calculated plus any fees, penalties or damages imposed on the Vendor under the Legislation. For greater certainty, the Purchaser acknowledges that the New Housing Rebate described above is for individuals buying a new house or residential condominium as a primary place of residence for themselves or a relation. It does not include the rebate for HST which may be available to investors buying a new house or residential condominium as a rental property (the **GST/HST "New Residential Rental Property Rebate"**). If the Property is being purchased for investment purposes, the Purchaser will not qualify for the New Housing Rebate and the Purchaser shall be responsible for paying to the Vendor an amount equal to the New Housing Rebate which has been included in the Purchase Price hereunder. All Purchasers buying a new house or residential condominium as a rental property are responsible for applying for the New Residential Rental Property Rebate after the closing of the subject transaction.

6. The Purchaser acknowledges and agrees that the Purchase Price set forth in this Agreement has been arrived at on the basis that the Purchase Price includes all Extras, premiums and bonuses and excludes any Extras ordered pursuant to a Change Order following the date of execution of this Agreement. The Purchaser acknowledges that the purchase of additional Extras following the date of execution of this Agreement may push the Purchase Price of the Real Property into a different sales tax category for the purposes of determining the amount of the New Housing Rebate, and that this may lower the amount of said New Housing Rebate applicable to the transaction. If a reduced New Housing Rebate is applicable under the Legislation due to the purchase of Extras following the date of execution of this Agreement, the Purchaser agrees to compensate the Vendor for the, amount by which the New Housing Rebate used to calculate the Purchase Price listed in the "Purchase Price" section herein exceeds the actual applicable New Housing Rebate, such amount to be credited to the Vendor as an adjustment on closing.
7. The Parties acknowledge that for purposes of Land Transfer Tax, the total consideration to be inserted in the Transfer/Deed of Land for this transaction shall be the total Purchase Price including Extras excluding HST and the New Housing Rebate, namely the amount of
 \$530,000.00 . The Purchaser is responsible for payment in full of the Land Transfer Tax Transfer Tax and the cost of registration of the transfer. The consideration value is subject to change, pursuant to any and all extras that are ordered pursuant to a Change Order following the date of the execution of this Agreement.

Buying a newly built home?

This guide explains the most important things to know about your new home warranty.

Whether you're buying your first home, your next home or an income property, a home is one of life's biggest investments.

The new home ownership journey can be exciting, but it doesn't always go as planned.

As part of Ontario's new home warranty program, your builder's warranty protects you from specific financial losses and construction defects, but getting the home you were promised also means knowing your rights and responsibilities.

As an independent, non-profit, consumer protection organization, our team at Tarion is here to help. We've supported thousands of homeowners like you in understanding their home warranty coverage and navigating the claims process.

Until the day you get your keys, and throughout your seven-year warranty period, think of Tarion as your partner in protecting your new home.

About Tarion

In Ontario, most newly built homes come with a warranty that's provided by the builder and supported by Tarion, an independent, not-for-profit organization established by the provincial government.

At Tarion, we believe that every new home buyer deserves the peace of mind that they're getting the home they were promised. Our role is to ensure that Ontario's new home buyers receive the coverage they're entitled to under their builder's warranty.

We support homeowners by:

- **Providing the MyHome online portal**, which helps you manage your warranty and report defects to the builder and Tarion
- **Facilitating fair dispute resolution** between homeowners and builders, related to warranty coverage, repairs or customer service
- **Assessing claims** to determine if they're warranted, either through an on-site inspection or an alternative method of investigation
- **Stepping in** when a builder fails to address a valid warranty claim, resolving the claim directly with the homeowner either through compensation or repairs by a third party
- **Managing a guarantee fund** to protect new home buyers, which covers compensation for warranty claims

Here for you at every stage of your new home warranty journey

We offer tools, resources and guides to help you understand your new home warranty and navigate the claim process with confidence – if and when you need it.

Your builder's role

Your new home warranty is provided by your builder, and they are responsible for:

- **Ensuring that your new home is built properly.**
This means that it's constructed in accordance with Ontario's Building Code, is fit for habitation, and is free from defects in work and materials and major structural defects as set out under the statutory warranty
 - **Providing you with information about your warranty coverage** at the time of your purchase
 - **Conducting a pre-delivery inspection (PDI) with you,** on or before the closing date and explaining how the various systems in your home work
 - **Providing you with a warranty certificate upon your home's completion,** which indicates when your new home warranty takes effect
 - **Being reasonably accessible to you to address customer service issues,** including investigating issues with your home to determine if they're covered by the warranty
 - **Resolving valid warranty requests in a timely manner** by performing repairs or offering an acceptable alternative resolution
- 

Your role as homeowner

As a new homeowner, you play an essential role ensuring that you get the warranty coverage you're entitled to.

Your rights and responsibilities include:

- **Understanding your warranty coverage and the process** for making warranty service requests and claims
 - **Participating in the pre-delivery inspection (PDI)** by making note of incomplete, damaged, or missing items, and learning how to operate your home's systems
 - **Properly maintaining your home** to preserve your warranty coverage
 - **Bringing any warranty service requests to your builder's attention** in writing as soon as possible
 - **Providing your builder with reasonable access** to your home to investigate and address warranty service requests
 - **Submitting your claim within the appropriate timelines**, if you need warranty assistance from Tarion
-

You can find information about your closing date and any extensions your builder is allowed in the Statement of Critical Dates in the Addendum to your agreement.

You may be able to claim compensation from your builder for an improper delay of your closing date.

Financial loss protection for contract homes

A contract home refers to a home built on land you already own. Under your contract with a builder, some or all of the money you give your builder may be protected.

Making a warranty claim

Who does what?

Claims begin with you and your builder

Your builder's role: as the provider of the warranty, your builder is responsible for resolving warranty claims directly with you. They are required to resolve your warranted items, regardless of whether you ask Tarion for help.

Your role: You must notify your builder when an issue arises and give them an opportunity to review it and address it. As part of this process, you will need to give them access to your home to make any necessary repairs.

Tarion's role: Tarion can help in the warranty claim process if your builder fails to resolve your claim, or there is a dispute about whether an item is covered by the warranty. We can assess your claim and, if it's covered by the warranty, ensure that the issue is resolved.

To be eligible for Tarion's assistance, you must report your warranty claim within the relevant warranty timeframe. Use the MyHome portal to keep track of your warranty due dates.

Managing your warranty claims

It's easy!

Tarion's MyHome online portal is an easy-to-use and convenient way to manage your warranty claims.

Use MyHome to:

- > **Stay up to date** with important warranty timelines
- > **Submit warranty claims** to both your builder and Tarion simultaneously
- > **Request Tarion's assistance** if you need it

We recommend that you register for MyHome as soon as you take possession of your new home.

Register for MyHome at [Tarion.com](https://tarion.com).

Your pre-delivery inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you. The PDI's main purpose is to make a note of items in your home that are damaged, missing, incomplete, or not working properly. It's also an opportunity to learn how to operate and maintain parts of your home, like the ventilation, plumbing, and heating systems.

The PDI form

The PDI form is a formal record of your home's condition before you take possession, and may be used as a reference for future warranty requests. During your PDI, your builder will use it to note any items of concern and give you a copy for your records.

If warranted repairs are required

Your builder is required to address any items noted on your PDI form that are covered under the warranty as soon as possible. If necessary, you can ask Tarion for assistance in getting these items resolved.

If items of concern aren't corrected

If your builder doesn't address items identified on your PDI form, and you'd like to get Tarion's help through the warranty program, you'll need to complete a warranty claim form.

Use the MyHome portal to complete and submit your warranty claim forms and keep track of important dates.

What's next?

You've bought it – now own it

Protection is a shared responsibility. Visit [Tarion.com](https://tarion.com) to take 3 important next steps:

1. **Learn more** about the warranty coverage you're entitled to, and your responsibilities as a homeowner.
2. **Get ready** for your PDI with a PDI checklist, videos and other resources at [Tarion.com](https://tarion.com).
3. **Be prepared** by registering for the MyHome portal at [Tarion.com](https://tarion.com). After you take possession, this will help you file a warranty claim and ask Tarion for help if you need it.

1. Commitment. “Our”, “us” “we” or “Enercare” means **Enercare Home and Commercial Services Limited Partnership**. Our commitment to you, our rental customer, (“**you**”, “**your**” or “**customer**”), is to provide you with a reliable, trouble- free water heater in accordance with this Residential Water Heater Agreement (the “**Agreement**”). 4. Customer Obligations. In return for fulfilling our obligations to you, you agree that:

- a) Rental Charges** – The rate on the date of this Agreement for your monthly rental charge is indicated above. You will be responsible for paying rental charges from the date the Water Heater is installed or, if you purchased the premises after the Water Heater was installed, from the closing date of the purchase. We may increase our rental rates on January 1 of each calendar year by a percentage up to the percentage increase to CPI plus 2%. For the purposes of this Agreement, “CPI” means the All-items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter or by any method permitted by law.
- b) Payment of Charges** – You will pay your charges billed under this Agreement when due. You agree to pay HST and any other taxes payable in connection with this Agreement. Your charges may be included on your utility bill, or we may choose to bill you separately or through our service provider. Acceptable methods of payment, which currently include pre-authorized payment, payment by cheque, by telephone or in person, or online banking, will be set out on the bill you receive. Should any payment be returned for non- sufficient funds (“NSF”), you agree to pay a NSF charge of \$25. A late payment charge will apply to all overdue amounts on your bill, including applicable federal and provincial taxes. The rate for late payment charges is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your bill is due on the date indicated on the bill.
- Late Payment Charges on your Enbridge Gas Distribution (“EGD”) Bill** (applicable only if your charges are included on your EGD bill) – A late payment charge will apply to all overdue amounts on your EGD bill, including applicable federal and provincial taxes. The late payment

charge will be calculated and applied as approved by the Ontario Energy Board (“OEB”). The current OEB- approved late payment rate is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your EGD bill is due when you receive it, which is considered to be three days after the bill date. If you do not pay your bill in full by the late payment effective date on the first page of your EGD bill, a late payment charge equal to the late payment rate multiplied by a total of all unpaid charges will be added to your EGD bill.

 - viii) if the Water Heater is gas-fired, ensure that the vents and openings for combustion air are kept clear and clean and otherwise well-maintained and there is adequate ventilation; and
 - ix) not permit anyone who has not been authorized by us to service, repair, modify, alter, adjust, move or disconnect the Water Heater.

e) Duty to Maintain – If the Water Heater is gas-fired, you are required, as the user of the Water Heater, under law to ensure that it is maintained in a safe operating condition [Ontario regulation 212/01 Section 15]. In the event that a service or repair is required please call **1-844-enercare**.

- i) if more than one customer is named on the account, each of you is individually liable, and all of you are collectively liable, for all obligations imposed on you by this Agreement;

You agree that the Water Heater will remain personal property even though it may become affixed to the premises. You agree to keep the Water Heater free of all liens, security interests, mortgages and other claims.

5. Sale of your Home – If you sell or otherwise transfer the premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the premises. We will permit the transferee to assume your rights and obligations under this Agreement, effective from the date of sale or transfer; provided that:

- a) you or your representative notify the transferee in the sale or transfer agreement that the Water Heater is rented and is subject to this Agreement;
- b) you or your representative advise us in advance of the transferee’s name and the intended date of sale or transfer;

Unless and until these conditions are satisfied, or unless Enercare otherwise waives any or all of these conditions, which we are under no obligation to do, you will remain responsible for the Water Heater rental and your obligations under this Agreement, including making all rental payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee.

6. Customer Advisory. The Water Heater may be equipped with flammable vapour ignition resistant (“**FVIR**”) technology. Enercare encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to “lockout” the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR “lockout” is not covered by Enercare under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.

7. Warranties and Liability.

- a) **Warranties** – We make no representations, warranties or conditions as to the performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. Subject to you carrying-out your obligations under this Agreement (including those under “Customer Obligations”) and subject to the limitations set out under “Liability”, we hereby warrant that the Water Heater will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. We are not the manufacturer of the Water Heater and we are not making any warranty or guarantee in respect of it, the supplier or the manufacturer of the Water Heater, including whether the Water Heater is suitable for you, except as provided above. Any warranties or guarantees provided under applicable legislation are hereby excluded to the extent permitted by law.
- b) **Liability** – Except as otherwise expressly provided in this Agreement, we will not be liable for any loss, damage or injury of any type (including as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or caused or contributed to in any way by the supply, installation, use and/or operation of the Water Heater. We shall not be responsible for any indirect, incidental, special or consequential damages, even if reasonably foreseeable. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform.
- c) **Indemnity** – You will indemnify us from all claims, losses and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with this Agreement, including its termination or enforcement, or the supply, use and/or operation of the Water Heater including any claims against us for any injury or death to individuals or damage to property, including from your negligence or misuse of the Water Heater. This obligation survives the termination of this Agreement for any reason.
- d) **Insurance** – During the term of this Agreement, you are responsible for any loss or damage to the Water Heater from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.

9. Termination

Termination by Us – If you fail to meet any of your obligations (including payment obligations) set out in this Agreement, you agree that we may terminate this Agreement and bill you for the applicable buyout price and on the other terms set out below under “Termination – Termination by You”. You agree to pay the buyout price when invoiced by us.

Termination by You – Your sole method of terminating this Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a buyout price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, which buyout price can be found on our website. You can also confirm the buyout price by calling an Enercare Rental Specialist at **1-877-334-1846**. You may exercise your buyout option by notifying us in writing or by calling an Enercare Rental Specialist at **1-877-334-1846**.

When you exercise your buyout option, you accept the Water Heater in an “as-is” condition, subject to the balance of any transferable manufacturer's warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the buyout price when invoiced by us.

Once payment has been received for the buyout price, and no other amounts are outstanding pursuant to this Agreement, this Agreement will end for the Water Heater and, as set out more particularly below in the section called “End of this Agreement”, you will have no further obligation to pay rent and we will have no further obligation to you.

10. End of this Agreement. At the end of this Agreement (for whatever reason):

- a) **Rent** – you are not obligated to rent and we are not obligated to supply replacement equipment (including a water heater), unless we mutually agree at the time and enter into a new water heater rental agreement.
- b) **Replacement** – Enercare is not responsible for replacing the Water Heater or re-connecting any ancillary or other equipment including without limitation venting, piping, plumbing, wiring, ducting, and/or electrical services.
- c) **Removal and Disposal** – if the Water Heater has reached the end of its useful life and we are not installing a replacement Water Heater, you shall at such time own the Water Heater, and if you wish for us to disconnect and/or dispose of the Water Heater, you must contact us by calling 1-877-334-1846 to make such arrangements. We will charge you in accordance with our then current fee schedules for removals or disposals.
- d) **No Further Obligations** – you will have no further obligation to pay rent (other than rent owing prior to the end of this Agreement) and, subject to any statutorily mandated requirements, we will have no further obligations of any kind or manner to you.

11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without our prior written consent (see the section called “Sale of your Home”).

12. Invalidity of Provision. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.

13. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and federal laws of Canada applicable therein.

14. Entire Agreement and Amendments. You understand that this Agreement is the entire agreement between you and us and supercedes all prior agreements, understandings or discussions, whether oral or written, and there are no warranties, representations or other agreements except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law in which case you will have the option to not accept such amendment and retain this Agreement unchanged.
