Hi Sergei,

I spoke with our shipping department, and if this issue had occurred during delivery, they would have brought the window back as they typically do.

I have copied Marc on this email. Marc, could you please advise on how you would like me to proceed with this situation?

Looking forward to your guidance.

Hi Marielle please note that this window was delivered with broken glass. I have a picture of unpacked window and I emailed it same afternoon it was delivered.
I don't think that Valecraft should issue po since it was delivered broken.

A handwritten signature in blue ink, appearing to be "S. Muller".

Thanks

Hi,

As this unit is not closed, Sergei/Steve approval needs to be done by either of you and Ariel @ po@valecraft.com will generate the PO once approved.

Thanks.
