The wall oven is designed to be installed flush with cabinetry.

Bosch wall ovens are compatible with most competitors' cutouts.

Touch control with SteelTouch™ buttons makes operating the oven easier.

Dampened hinges softly and quietly guide the SmoothClose door shut.

A full-extension telescopic rack offers safe access to the oven cavity.

The Bosch wall oven installs flush and features a SmoothClose door.

Features & Benefits

For help and assistance with Bosch accessories please call 1-800-944-2904 Mon-Fri 8am to 6pm EST

Notes: All height, width and depth dimensions are shown in inches. Please refer to installation instructions prior to making cutout. BSH reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice. Consult the product's installation instructions for final dimensional data and other details. Applicable product warranty can be found in accompanying product literature or you may contact your account manager for further details.

Warranties: Bosch warrants that the Product is free from defects in materials and workmanship for a period of three hundred and sixty-five (365) days from the date of purchase. The foregoing timeline begins to run upon the date of purchase, and shall not be stalled, extended, or suspended, for any reason whatsoever. This Product is also warranted to be free from cosmetic defects in material and workmanship (such as scratches of stainless steel, paint/porcelain blemishes, chip, dents, or other damage to the finish of the Product) for a period of thirty (30) days from the date of purchase or closing date for new construction. This cosmetic warranty excludes slight colour variations due to inherent differences in painted and porcelain parts, as well as differences caused by kitchen lighting, product location, or other similar factors. This cosmetic warranty specifically excludes any display, floor, "As Is", or "B" stock appliances.

30" Double Wall Oven

800 Series – Stainless Steel HBL8651UC

Installation Details

Standard

Side-by-Side Installation

The ovens will overlap the cutout resulting in a 1/2" (13mm) spacing between the products

IMPORTANT: The spacing between cutouts applies when installing any Bosch 30" or 27" single, double, combination and 27"/30" compact oven in a side-by-side installation.

Standard Installation
30" Double Oven over Storage or Warming Drawer

Flush Installation
Double Oven over Storage or Warming Drawer

***IMPORTANT:** base has to be able to support oven weight. Please check oven manual for minimum weight requirements.

- * Wall oven junction box may be located above or right or left of the unit within reach of the power conduit.
- ** Electrical hook up may be located below (depending on space) or next to the drawer within the reach of the power cord.

For help and assistance with Bosch accessories please call 1-800-944-2904 Mon-Fri 8am to 6pm EST
