18" Built-In Custom Panel Single Door Freezer

Benchmark® Series – Custom Panel B18IF905SP

Installation Details

HEATKITB80 Heater Kit

When two appliances are installed side-by-side a sealing kit must be used. For combinations that involve a freezer column, this kit is included. For all other (non-traditional, i.e. two bottom freezers) side-by-side combinations or instances where any appliances are installed less than 6" (152 mm) apart from one another but not connected side-by-side, purchase this kit. This kit is also recommended for use with any installation in areas that are subject to humidity, or located next to an outside wall.

IMPORTANT: Handleless Panels should not be installed on units without the soft close capability. If you are uncertain if you have a refrigeration unit with soft close capability please contact our customer team by calling 1-800-944-2904.

Accessories: To purchase Bosch accessories, cleaners & parts please visit www.bosch-home.com/us/store or call 1-800-944-2904 (Mon to Fri 5 am to 6 pm PST, Sat 6 am to 3 pm PST).

36" Gas Cooktop

Benchmark® Series – Stainless Steel NGMP658UC

Lot 44

08/22/2022

ZY

NGMP658UC
Stainless Steel

The Benchmark® Series gas cooktop with FlameSelect® is a better way to cook with gas and delivers precision flame levels for consistent results.

Features & Benefits

FlameSelect® offers 9 distinct power levels and delivers precision flame height every time for consistent, repeatable results.

Digital display indicates the power level selected and informs you of the burner's residual heat.

Dual-ring power burner has 2 rings for low and high flame settings so you can go from simmer to sear with ease.

Dishwasher safe heavy-duty enameled cast iron grates makes cleanup simple and convenient.

OptiSim® burner offers more flame control at the lowest settings for precise simmering and melting.

General Properties
