WTS 21, 26

I, the undersigned, accept the architect's complete responsibility to deliver and defend all claims submitted in connection with the architectural services and all applicable regulations and requirements of the applicable laws and codes and the applicable agreement. The Contract Architect is not responsible for any claims or damages resulting from the planning or approving any building plans or working drawings as depicted on this set of drawings. The general contract and all other documents to be properly kept on record and filed.

This is to certify that these plans comply with the applicable Architectural Design Codes as approved by the Township of RIND.
