DATE _____ SIGNATURE _____

[illegible]

It is the builder's complete responsibility to determine that all work is carried out in accordance with the provisions of the Building Regulations and to comply with the Architectural Guidelines and all applicable regulations and requirements, including those provisions and requirements in the above-mentioned agreement, and to ensure compliance with the Building Regulations. The Council Architect is not responsible for any delay in issuing or approving site layout plans or working drawings with respect to any change or building code or permit matter on that any notice can be properly or be located on the lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township of KINC.
