Samsung Front-Load Washer

Installing Options

Installing Your Washer

1. Alcove or closet installation

Minimum clearances for closet and alcove installations:

Sides – 1"
Rear – 5 7/16"
Top – 17"
Closet Front – 2"

If the washer and dryer are installed together, the closet front must have at least a 72" unobstructed air opening. Your washer alone does not require a specific air opening.

Dimensions

2. With optional pedestal base or stacking kit

SAMSUNG

Actual colour may vary. Design, specifications, and colour availability are subject to change without notice. Non-metric weights and measurements are approximate. Minimum clearances are recommendations only. Samsung received the highest numerical score for front-load washers in the proprietary J.D. Power and Associates 2014 Laundry Appliances Satisfaction Study. The 2014 Laundry Appliance Satisfaction Study is based on more than 6,600 evaluations from customers who purchased clothes washers during the past 24 months. The study was fielded from January through March 2014. Your experiences may vary. Visit jdpower.com for more information. The ENERGY STAR Most Efficient 2014 designation recognizes the most efficient products among those that qualify for the ENERGY STAR program. These exceptional clothes washers represent the leading edge in energy efficient products. © 2014 Samsung Electronics Canada Inc. All rights reserved.
