Buy it for looks. Buy it for life.®

DESCRIPTION

- High arc spout provides height and reach to fill or clean large pots while the pull down wand provides the maneuverability for cleaning or rinsing
- Reflex® system offers smooth operation, easy movement, self retraction, and secure docking
- Metal construction with various finishes identified by suffix
- Duralock™ quick connect installation
- Pulldown spray with 68" braided hose
- Flexible supply lines with 3/8" compression fittings connect directly to supply stop

OPERATION

- Lever style handle
- Operates with less than 5 lbs. of force
- Operates in stream or spray mode in the pull-down or retracted position

FLOW

- Flow is limited to 1.5 gpm (5.7 L/min) at 60 psi

CARTRIDGE

- 1255™ Duralast™ cartridge for Single-Handle Faucets

STANDARDS

- Third party certified to IAPMO Green, ASME A112.18.1/CSA B-125.1 and all applicable requirements referenced therein including NSF 61/9 & 372
- Meets CalGreen and Georgia SB370 requirements
- Complies with California Proposition 65 and with the Federal Safe Drinking Water Act

- **ADA** ♿ for lever handle

The backflow protection system in this device consists of two independently operating check valves, a primary and a secondary which prevent backflow

WARRANTY

- Lifetime limited warranty against leaks, drips and finish defects to the original consumer purchaser
- 5 year warranty if used in commercial installations

SHARP

SMD2477ASC
24-INCH MICROWAVE DRAWER® OVEN

TAKE YOUR MICROWAVE TO A BETTER PLACE

It's your kitchen, your design and your lifestyle. Sharp's Microwave Drawer Oven allows you to focus on the design elements you prefer by removing the microwave from sightlines and enabling more design versatility. The Microwave Drawer offers flexible placement options below an island, peninsula, or standard cabinetry, and can also be installed adjacent to your wall oven. The Microwave Drawer allows you to showcase your design savvy and create a kitchen that flows with your lifestyle.

Sharp introduces the next generation of this successful appliance—model SMD2477ASC-- a 24" microwave drawer with a simpler and a sleeker design to match more built-in appliances.

Design Flexibility

Sharp's Microwave Drawer product expands the option for microwave placement in almost any kitchen plan—it's a perfect choice for open-plan kitchens, islands, peninsulas, and a great addition to wet bars, family rooms and home theatres.

Location and Counter Space Saving

You may place the drawer under a counter, cooktop or wall oven or above a warming drawer without a built-in kit, additional trim or venting. Sharp microwave drawer provides the best solution for a cleaner, uncluttered counter space.

24" Marvel Professional High-Efficiency Dual Zone Wine Refrigerator

Model # MP24WD

Performance

- Dynamic Cooling Technology™ delivers the industry's best temperature stability and rapid cool down, safely bringing wine to temperature without compromising integrity
- Two independently monitored zones store your wine collection at separate temperatures
- Vibration Neutralization System™ protects wine from agitation, allowing it to come to full maturation
- Thermal-efficient cabinet ensures optimum preservation and energy efficiency while maximizing capacity
- Argon-filled, UV-resistant tinted dual pane glass door protects contents from damaging ultraviolet light, while conserving energy
- Now even quieter operation thanks to exclusive design enhancements to buffer and minimize sound

Storage Capabilities

- 4.9 cu. ft. capacity, stores 40 bottles of wine total
 - Upper zone includes (3) 8-bottle smooth-glide full wine racks
 - Lower zone includes (1) 8-bottle smooth-glide full wine rack and (2) 4-bottle smooth-glide half-depth wine racks
- Heavy-gauge wire wine racks are shaped to safely cradle each wine bottle
- Full-extension Smooth Glide™ ball bearing shelf system prevents jarring

Touchpad Controls

- Multifunction Marvel Intuit™ Integrated Controls allow you to select a precise cabinet temperature from 45° F to 55° F in the lower zone and 55° F to 62° F in the upper zone
- Vacation mode conserves energy during times when unit is not in use

Aesthetics

- Soft-close integrated hinge provides a seamless zero clearance installation and a smooth gentle close
- At the touch of a button, change the interior light color to sapphire blue, amber glow, or arctic white
- Two-stage theater-style lighting offers full or half illumination
- Elegant midnight black interior
- Professional styling: stainless-steel-framed glass door, sturdy full-length handle, sleek stainless steel shelf fronts and stainless steel toe kick adjustable to 4" with leveling legs
- Finish options: stainless steel or overlay (panel ready)

Additional Convenience

- Close Door Assist System™ gently and automatically draws door to a close, ensuring door is never accidentally left ajar
- Door lock provides added safety and security
- 3-year parts and labor warranty, 5-year sealed system parts warranty

RGV2-366-N

36" Gas Range: 6 burners

For the chef who demands premium cooking performance, DCS Gas Ranges heat up rapidly and deliver precise oven temperatures. DCS cooktops have unique, patented Dual Flow Burners™ that let you fire up a fierce heat in an instant — and just as quickly turn it down to a precise full surface simmer with the gentlest of flames. Cooktop burner powers reach up to an extraordinary 23,500 BTU with total surface output reaching up to 121,000 BTU. The powerful infrared broiler delivers up to 19,000 BTU and provides intense heat directly to the food – perfect for getting a crisp surface while retaining the moisture inside.

Dimensions

Depth	29 1/8"
Height	Ⓐ 35 3/4 - 36 3/4"
Width	Ⓑ 35 7/8"

Features & Benefits

Perfect Heat

Sealed Dual Flow Burners™ deliver cooktop power up to 23,500 BTU (NG models) for seriously fast boiling right down to a gentle 140°F full surface simmer. DCS Gas Range ovens heat-up very quickly and deliver precise oven temperatures, with a powerful infrared broiler delivering up to 19,000 BTUs (NG models) of intense heat – perfect for getting a crisp surface while retaining the moisture inside.

Total Control

From the highest to the lowest temperature settings you get precise control with the halo-illuminated cooktop dials. DCS Range ovens have electronic oven control for precise and consistent oven temperatures delivering superior performance.

Easy to Clean

A continuous sealed cooktop surface coupled with a commercial-style stainless steel finish allow easy cleaning.

Information at a Glance

LED Halo control dials for information at a glance. White – heating up; orange temperature is reached.

Cooking Flexibility

DCS Gas Range ovens have generous capacity, large enough for a family feast. The full extension telescopic racking system gives you smooth and easy access to the oven, which is large enough to hold full size baking sheets or a 20lb turkey. The cooktops unique grate design and high powered burners puts the flame where you need it and lets you boil faster or simmer gently anywhere on the cooktop.

Kitchen Family Match

Handle options — round or square – to suit any kitchen and designed to match the DCS professional kitchen family

Height	79 7/8"
Width	35 11/16"

Features & Benefits

Clever energy

Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.

Designed to match

With their premium handle styling and stainless steel finish, our fridges are designed to match the rest of Fisher & Paykel's kitchen appliance family.

Ice maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

Easy cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Simple storage

This fridge is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

Easy installation

Our integrated products are easy to install, whether you are renovating your kitchen or designing a new one. Our fridges are designed for minimal gaps with adjustable front and rear feet to allow for uneven floors alongside adjustable door panels that can be customized to match your kitchen.
