Hi Carm,

See below. I just sent you this work order. The homeowner is working from home until May 25 if you can go take a look. I confirmed with him if he had a humidifier in the homeowner and he said yes.

Please inspect and let know your findings

Mary Hi. Sorry to bother you with this. Roman had a look when he came by a few weeks back but it's gotten real bad. It's in a high traffic area and we continue to trip over it. Please let's get this looked at and repaired ASAP. Please and thank you Mary.
