Hello

I'm having an issue with my rain shower. The sealant used on the glass has lost its adhesiveness and water is getting trapped causing the creases to turn yellowish. The issue was very gradual so we didn't notice before the 30 days. I'm hoping the work is under warrant and we can have this resolved.

Thanks

Kind regards,
Brad Pruneau

Thank you Brad,

Please keep an eye on this. You have an additional year from any method of repair ☐

Thanks and I will remove from the system

Hi Gisela

The painting was done couple datys ago and someone came by few weeks back to unlog the eavesdrough but not sure if it's resolved until we get rain again.
I'll let you know if it's still an issue

Kind regards,
Brad Pruneau
