BRICK/JOINT PATTERN INSTALLATION

RELEASE FORM

| 1 | DATE: | HOMEOWNERS: | LOT / SITE: |
|---|----------------|-------------|---------------|
| | 15 (for 18) 21 | (| 5-27 Readling |

Brick installation requires an additional charge and must be included on the extras if selected

(Large tiles installation for floor and wall) - % Brick

Please be advised it has come to our attention, that due to production, many of the over-sized and odd shaped, man-made tiles (i.e. porcelain & ceramic), have been found to have a slight bow in the tile. It is a standard occurrence with all suppliers and manufacturers.

It is therefore recommended, that if and when a purchaser requests to install one of these tiles in a brick-joint pattern, that it be installed o='[n a % brick pattern, to try to avoid lippage. Attached with this letter, you will find a fayout of the % brick installation that has been recommended.

INTERIOR FINISHES ACKNOWLEDGEMENT / WAIVER

Purchaser accepts and acknowledges that the Builder reserves the right to substitute materials with those of equal or better quality where the manufacture, scheduling or delivery of materials may directly impact the Builder's ability to meet its' ontractual obligations under the Agreement of Purchase and Sale.

UPGRADES/EXTRAS: All upgrades and additional selections indicated on the colour chart must be accompanied by an pgrades/extras sheet (PES) and full payment otherwise the selection will be invalid. All colour charts and upgrades/extras vill not proceed until verified and signed by an authorized signing officer at the Vendor's head office. CHANGES WILL NOT BE ERMITTED UPON COMPLETION AND SUBMISSION OF THE COLDUR CHART.

including various lighting may affect the overall finished look. Stone tops are sealed at time of installation and should never be cleaned with lemon oil or vinegar. Stones are porous materials, therefore any spilled substance require immediate attention. Stone countercops require rigidal seal re application as part of home maintenance. Purchaser acknowledges colour and product variations as well as natural imperfections may exist with the selection of natural stone materials and shall to two pieces are exactly the same. Variations in colour, tone, granularity (pitting, fissures) and pattern are to be expi or hold the Vendor liable for provision of same. ORCELAIN & NATURAL STONES: Due to the properties of natural stones including but not limited to marble, granite, quarts,

STONE COUNTENTOP JOINTS: Purchaser is aware that one joint will be at each corner and on either side of slide-in-range (if applicable). It will also be where the length of the counter top exceeds the length of a stone slab. Slabs are usually ipproximately 5'x 8'.

CERAMIC TILES: Due to manufacturing, shade (dye lots), product variations may exist that can affect the overall look of the finished product. Although every effort will be made to ensure the colours and materials selected are as close as possible to the samples, the purchaser acknowledges that the sample tiles supplied in the Design Centre may not be identical to the materials installed in the home

STAIN STAINS: Due to the natural properties of wood, many variables can affect the overall look of the finished product actors including but not limited to wood type, knotting, graining, density, age, humidity, and air temperature can result in ubstantial variations in stain intensity. The purchaser accepts that although the Vendor will do their best to match stain the infinished stairs as close as possible to the pre-finished floors, it is not possible to have an identical match and that there AAY be shade differences between the two products.

specifications and/or on-site conditions, certain cabinetry upgrades may not be possible. The purchaser acknowledges that the Builder Labinetry finish or provision of certain upgrades and shall not hold the Builder Hable for type and intensity of lighting in the areas of designated cabinetry placement may also highlight characteristics of cabinetry finish. All cabinets shall be finished with a white melamine intenor box unless a finished interior is upgraded. Due to building CABINETRY: Due to the natural properties of wood, slight variations apparent with cabinetry are to be expected. This includes but not limited to wood species, wood grain, colour, finish, product variations, and natural imperfections are all xtors that may affect the overall look of the finished product. Such factors make exact colour matching impossible. The

UPGRADES/EXTRAS: All upgrades and additional selections indicated on the colour chart must be accompanied by an upgrades/extras sheet (PES) and full payment otherwise the selection will be invalid. All colour charts and upgrades/extras will not proceed until verified and signed by an authorized signing officer at the Vendor's head office. CHANGES WILL NOT BE PERMITTED UPON COMPLETION AND SUBMISSION OF THE COLDUN CHART.

K

MARDWOOD / LAMINATE RICORING. Due to the properties of wood and laminate, many variables can affect the overall look of the firshed product. Variations include but not limited to wood type or laminate finish, colour/stain and wood grain are significant factors that make exact colour matching impossible. The purchaser acknowledges that the hardwood flooring is a pre-finished product in a controlled environment. Expansion, compression and cupping are characteristics of hardwood flooring once installed in the home. The purchaser acknowledges these may become apparent over time and despite the Builders' efforts to install the hardwood flooring materials in keeping with good workmanship, the Builder shall not be reconnected as new hald Eashin for manner of flooring materials in keeping with good workmanship, the Builder shall not be of fluctuation in hardwood flooring materials

reas. I/We understand there is a coreas. I/We understand there is a concern due to possible water and other substanto the floor and in contravention of Ontano Building Code Section 9.30.1.2(1). ood flooring is classified as a porous material and as such not r ices being frequently splashed or spilled by the Builder in certain

boring, fetted-synthetic-fibre floor con wished flooring bathrooms, lottchens, public entrance holls, laundry & general store degrees of water research concrete, terrazza, ceramic tile, mastic or other types of flooring providing shall coasust of resident

We are prepared to assume full responsibility for any damage caused to the hardwood floor or subfloor due to moisture obsorbency in the mentioned areas, and agree to waive any claims against the Township of residence, TARION and/or the

or orney in the mentioned areas, and agree to waive any claims against the "is relation to the matter. "SEE COLOUR OWAIT FOR LOCATIONS"
