The Original Dimplex Flame Effect
A blend of technology, artistry and

A blend of technology, artistry and craftsmanship that sets the standard for realism.

Acrylic Ice Media Deco
Light plays through different size pieces and sparkle in a spectrum of colors.

Choose from a variety of brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.

Simply surface mount and plug-in or fully-recess and direct wire for a seamless installation

Detachable glass turn easily finishes rough openings and provides access to media.

Temperature control at your fingertips, for convenient comfort.

Control the flame, heat and thermostat from the comfort of your chair.

Flame and lights use brilliant, low-energy LED's that require zero maintenance.

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Glass remains cool making it safe for any location and any user.

The most sustainable replace option, no emissions and 100% efficient.
