Hi Alex,
It is not mandatory for tiles to be left in the house. Normally if there are extras tiles left over they leave them behind as a courtesy. I asked AV Classic to check there warehouse to see if they can accommodate to have some delivered to your house. They are not allowed to order fresh boxes just for spares. I can ask them if they have any additional tiles for the foyer to be dropped off but if he doesn't have any at the shop I apologise this isn't something that can be ordered.
