Hi Mary,

Confirmation below on a FRAMED GLASS SHOWER (not frameless) for the second bathroom.
It is an error on the floor plan - the line item extra is correct.

Thank you,
Simone

Hello!

Hope you are keeping well.

The office was reviewing your paperwork and i just wanted to send you a note re confirming what we have on your extras quote from our decor meeting.

In your ensuite bath on your extras it states you are getting a framed glass shower, this was also what was paid for at the meeting.

Your floor plan says frameless but this was a typo I listed which is used to give the trades direction and should be disregarded.

If you could please acknowledge this email and confirm by end of day today.

Thank you!

Jill

Subject: LOT 124 - WASAGA- CHECKLIST FOR MEETING-

Hello,

In preparation for your décor meeting I have attached **2 documents for your review.**

#1 outlines what we will be discussing at your décor meeting regarding finishes for your home.

#2 outlines other finishes available for your home.

Not all items on this list will be available to your home as it is a general list. *Prices are applicable as per plan, if possible and are subject to change without notice.*

Regarding your decor appt, if you can also have an idea of what style appliances you would like to purchase. Eg, a cooktop, stacked oven, the hood fan etc, this will help us quote the cabinetry in the kitchen for you. As any appliance item that is not the standard size will need the kitchen cabinets modified to accommodate your appliances.

Have a great day!

Thank you!

Jill
