Please Complete the following items:

DAI	Type	Issue	Appt. Date/Time	Notes
173857	Interval	Bedroom 2- General- The lights in of the room is not working. I have tried checking the circuit breaker but nothing works. The electrical power outlets are working but the light bulbs are not. -NOTE this is the third issue related to the electrical in the house since we moved in which is not giving me confidence that quality work has been done. Please look into this matter in depth to ensure these issue donâ€™t happen again and again	MAR 18/24
